Memorandum.

With reference to the memo noted in
these margins the undersigned has the honor
to state that it was necessary to make
application regarding the previous services
of the men whose applications were sent
in to the Revenue Authorities. Mr. Dyer
-tendent himself was absent from the District
on duty at Dinagapatnam during the latter
half of July and beginning of August and
also during the whole of the latter part of
August he was engaged in following up
escaped prisoners and other duties, which
prevented his personal attendance at
Office or attention to a variety of matters
which would otherwise have been
adjusted long before.

Proper certificates were not granted
at first by Medical Officer.

Sir I have the honor to return the
accompanying Certificate and with
reference to your letter No 297 dated
the 22nd instant to state that I am unable
to assign any other cause of disqualifi-
cation than those which appear in the
Certificate

Although the men appear in firm and
more thoroughly worn out than should
have been the case at their age even
supposing these are taken as bald approx-
-imately correct ~~as~~ as they are free from
disease and bear no indications of having
led dissipated or irregular lives I can
only conclude that their premature
decay is to be attributed to the effects
of service on naturally feeble constitutions

I have the honor to be
