PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th January 1869.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 16th December 1868, No. 4,373:—

I HAVE the honor to submit, for the consideration of the Board, a Statement showing the service of my Duffadar Sheik Tippoo.

2. Sheik Tippoo came to Nellore with Mr. Travers in 1801, when Mr. Travers took over charge of the district from the Government of His Highness the Nabob Azeem-ool-Dowlah. His father was Mr. Travers's Butler, and he himself was also employed by Mr. Travers as a private servant.

3. In 1817, he was appointed by Mr. Fraser a Sayer Peon at Sitarampuram. When there, the Pindaris made a raid through the northern parts of the district, which they entered by the Sitarampuram pass, and he was employed to maintain the pass.

4. On the 1st of August 1821, Sheik Tippoo was made a Daloyet by Mr. Fraser; and from that day to this, a period of 47 years, he has been in attendance on the Collector's Cutcherry without a break.

5. In 1842 Sheik Tippoo was made a Naik on Rupees 10 a month; in 1852 he was made a Duffadar on Rupees 17 a month; in 1855 he was made Jemadar on Rupees 25 a month; and in 1860, on the introduction of the present scale of establishment, I had to reduce him to the post of Duffadar on a pay of Rupees 14 a month.

6. When Sheik Tippoo was Duffadar, between 1842 and 1852, he was employed in the repair of the large Irrigation works. He used to be sent with a body of Peons to compel the ryots to give their customary labor on these works; the laborers, who were in reality serfs, coming to the work by hundreds; and when the ryots failed to cultivate a sufficient quantity of land, he was employed with the Tahsildar in stimulating them to increased exertions.

7. When the Nellore anicut was commenced he was employed with the Tahsildar in collecting labor and superintending its employment.

8. When I came to the district in 1859 I found him the Jemadar, with 1 Duffadar, 4 Naiks, 111 Daloyets, and 25 Peons under him. He had the management of 136 men, whose annual pay was Rupees 9,420.

9. When the establishments were revised in 1860, Sheik Tippoo accepted his reduced pay of 14 Rupees a month, and has discharged his duties since with the same fidelity, maintaining fully the high character he has ever borne.

10. He is now unfit for further service. Including three years that he was a Sayer Peon, for which the entry cannot now be found in the records, his total service under Government extends over 54 years. According to the 4th Rule of the Board's Standing Orders, in respect to Pensions and Gratuities, No. 399, he is entitled to a gratuity of Rupees 84.

11. I would respectfully submit, under the circumstances, that in this instance an exception might with propriety be made in his favor; and should the Board see fit to agree in this view, I request that they will be pleased to submit the case for the favorable consideration of Government; and I would respectfully and earnestly recommend that a pension should be granted to Sheik Tippoo, as in the higher grades, at two-thirds of his salary, selecting as the salary on which the calculation shall be made, not the reduced salary he now draws of 14 Rupees a month, but the higher salary of 25 Rupees a month which he drew as Jemadar for five years, and gave up without a murmur when the Government ordered that the arrangements for Peons should be put on a different footing.
