PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th January 1870.

Read the following letter from G. ELLIS, Esq., Acting Agent to the Governor of Fort St. George in Ganjam, to the Acting Secretary to the Board of Revenue, dated Chatterpore, 13th December 1869, No. 113:—

I HAVE the honour to forward, herewith, an English petition presented by one B. Ramasawmy, the Criminal Javobneviss on the Agency Department, praying for the orders of Government permitting him to count towards his pension his service of 18 years and 5 months rendered prior to his removal from the post of the Sub-Magistrate of Nursunnapetta in 1864. The Board's Proceedings dated the 6th November 1865, No. 7,118, which direct "his re-employment in some suitable post" contain all the particulars connected with his removal from the above post. B. Ramasawmy was originally admitted into the Government service on the 18th July 1846, and was dismissed from the office of Sub-Magistrate on the 6th October 1864. He was, however, ordered on the same date to act as English Writer of the Principal Assistant Collector's office, in which he continued until the arrival of the original incumbent on the 18th November 1864. He was re-admitted into the service on the 29th November 1865 under the Board's Proceedings above quoted, and is since in continuous service. It would thus appear that he was actually out of employ for 1 year and 11 days, but under the Pension Rules now in force he would forfeit all his previous service amounting to 18 years and 5 months. If this rule be enforced; I respectfully submit, the hardship to him will be very grievous, particularly as his age will not permit him to earn a further service of 15 years from the date of his re-employment to be entitled to any amount of pension whatever.

2. I therefore request that the Board will be pleased to obtain the special order of Government permitting him to count his former service towards his pension, the circumstances under which he was removed from the office of Sub-Magistrate not being such as to require his removal from the service, and paragraph 11 of the Board's Proceedings above quoted.

ENCLOSURE No. 1.—Petition.

The Board resolve to submit this case for the favourable consideration of Government.

2. B. Ramasawmy was dismissed from the office of Sub-Magistrate on the 6th October 1864, but was immediately employed to act in a lower capacity, and this fact as well as other circumstances detailed in Board's Proceedings, 6th November 1865, No. 7,118, show that reduction and not dismissal was intended, and that dismissal, forfeiting all claims to pension for previous service, would have been an excessively severe punishment. On reviewing the case, the Board directed that B. Ramasawmy should be re-employed, but not as a Sub-Magistrate.
