ORDER THEREON, 4th March 1870, No. 101.

The foregoing application is submitted on behalf of Maruda Muttu Pillai, late peon on eight rupees per mensem, on the establishment of the Sub-Collector of Madura, who served for thirty-seven years, eight months, and twenty-one days, up to the 31st August 1868. He was on that date dismissed on account of inefficiency from old age and infirmity by order of the Acting Sub-Collector Mr. Bliss, but he was not sent for medical examination till the 18th February 1869, as the Acting Sub-Collector, until ordered by the Collector to whom the applicant presented a petition, took no steps to secure him any pensionary allowance. The applicant is now sixty years of age, by his own statement and the certificate of the Surgeon, and his character and conduct are reported to have been good.

2. The Collector on the ground that the applicant ceased to do duty only one month and four days before the date of Despatch of the Secretary of State of the 14th October 1868, recommended that a compassionate allowance should be granted.

3. His Excellency the Governor in Council resolves to grant to Maruda Muttu Pillai a gratuity of six months' pay, or Rupees 48, under the old rules, and subject to the confirmation of the Government of India; and directs that the Supreme Government be requested to sanction, with reference to their order noted in the margin, the applicant's admission to a compassionate allowance of Rupees 4 per mensem, with effect from the 26th January 1869, the date of the applicant's petition to the Collector.

4. The Acting Sub-Collector should have been aware that the applicant was at least entitled to gratuity if incapable of further service, and that it was his duty to have caused him to be examined by competent Medical authority before discharging him on such grounds. The Acting Sub-Collector's omission to do so has caused great delay, and imperilled the applicant's claim, besides rendering necessary a reference to the Government of India. When attempting to compensate the applicant for his removal, and to provide for his old age by giving his son an appointment, Mr. Bliss should have recollected that the Government have laid down rules for securing these objects in a different way.

Sir
I have the honor to report on the enclosed petition (returned).

2. From his own statement Marudamuttu Pillai was in the Government service for nearly 40 years, but I am only able from my records to ascertain that his service was for 35-2-1, as per enclosed service register.

3. I dismissed him because he was so infirm from age that, though willing, he was perfectly useless as a Dalayet, and at the same time as a sort of compensation and provision for him in his old age, I appointed his son Marimuttu to a vacant peons place in the Dindigul Taluk. It has always I believe been

J. R. Arbuthnot

been usual to make such arrangements
on dispensing with the services of peons,
on their being unfit for further duty
from old age. I do not, however,
consider myself at all bound, in
such a case to appoint the dismissed
man's son to a place in the Buzur.
He must work his way up to that
in time.

4. Under these circumstances,
I do not think Narada Mutte has
any cause to complain, except at
his bad luck in being removed just
before the late order was published,
authorizing a pension to peons pronounced
unfit for further service, on Medical
Certificate, after 35 years. If possible I
should be glad to get him a pension,
and if you think that Government would
grant him one as a special case, he
having been removed only 2 or 3 months
before

before the order referred to came
out, I will direct him to wait on
the Lilla Surgeon for the purpose of
obtaining a Medical Certificate of
incapacity for service. //
