Sir,
Adverting to Government Order No. 2706 dated 25th August 1869, I have further to report that the enclosed certificate drawn up by the Surgeon of the 1st District, Madras, forwarded by Captain Goddard, shews that the Picottah man Rungen has received such injury that he is incapable of further employment at the Seven Wells.

2 The man has been employed for 3 1/2 years on monthly pay of 8 Rupees, and has borne a good character. The instructions in the Public Works Code Chapter X do not provide for a case of this nature, but I venture to recommend, for the favorable consideration of Government, that the man be granted a gratuity

gratuity of two or three months pay to enable
him to support himself until such time as
he can find employment on lighter labour.
