Sir,

In forwarding the application for
compassionate allowance called for
herewith returned. in your memo. of the
25th ultimo, I have the honor to state that
the applicant Andrew Das having, in
consequence of avowed inability to serve
longer, been permitted to retire from the
12th January 1869, and another man ap-
pointed to act in his place, the 11th of
January was entered in the Register of
his application as the last date of
his service. There being, however, no medi-
cal officer at Karkal where the appli-
cant was then employed, he had to proceed
to Mangalore for the purpose of obtain-
ing a medical certificate in support
of his application, and was furnished
with one, by the Dillah Surgeon on the 21st
January.

2. In accordance with the enclosed
affidavit and the Certificate produced
therewith, the 15th of November, 1833 has been
taken as the date of the commencement
of his service.

From

To
The Honble R. S. Ellis Esq. B.
Chief Secretary to Government
Fort St. George.

Sir, I have the honor to submit herewith for the sanction
of Government a register of an application for gratuity
on behalf of one Andrew Vas, late Mafsalji attached to the
Deputy Tahsildar's Office at Markal, together with a certi-
ficate of unfitness for further service granted to him by
the Zillah Surgeon.

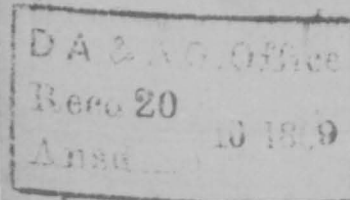

2. The applicant who is now aged about 62 years,
counts a service of 35 years, 1 month & 26 days, and asks
for compassionate allowance. Only a period of years 30. 11. 11
of his service is however verified by official records,
the remainder having been between 1833-1837. The Mazir
records of which period were destroyed during the Coorg
Insurrection in 1837. But even supposing the applicant's
calculation to be correct, there is still a deduction of 4th 7th 24th
to be made on account of the leave obtained by him, which
reduces the period of his service to less than 35 years.
Under this circumstance, he does not seem to be entitled
under the rules to the compassionate allowance asked for,
but only to a gratuity of six months' pay, and I have not
considered it necessary to submit an affidavit in verifica-
tion of the service rendered by him previous to 1837, as it
will make no difference in the amount of his gratuity.

3. Although the medical certificate in this case
was granted in the month of January, yet from the very
conflicting statements of the applicant with reference to
the

The period & nature of his service and from his having
served in several offices in three different parts of the
District, my Head Assistant in whose division he was
last employed, appears to have been unable to have a Register
of Services prepared, and to report the case to me earlier
than July. In my office again it was observed that this
Register was wanting in some particulars, and further
information had to be called for regarding the leave
granted to the applicant in the course of his service &c
with a view to determine whether he was entitled to the
Compassionate allowance for which he was recommended
by the Divisional Officer, but to which his claim does
not now appear to be established.
