Dr Robert C. Pearce Zillat,
Surgeon of Salem, do hereby certify, that
I have carefully examined P. Glass
Constable - Abdool Rahman, No 12
Pennagarum Division, and find
that his age is by his own statement
30, and by appearance about the same,
and that I find him to be unfit
for further service from infirmity
(the result of Fever, which has greatly
impaired his general health and has
caused contraction of the muscles of the
hands and arms, producing deformity
from which he will not recover), not,
in my opinion, attributable to intemperance
or other irregular habits.

The delay in the submission
of the revised Certificate was
caused by the non appearance
of the Constable who had returned
to his station and continued too
ill to travel until the beginning
