Sheally Taluk.

— As Samy Iyengar, 2nd Gumastah of your Taluk, did not attend to his duties for a very long time owing to the disease of the eyes, an order was sent to the Tahsildar of Mayaveram Taluk, directing him to report after a trial, as to his (Samy Iyengars) fitness or otherwise for any work.

As he has reported, that Samy Iyengar could not read, the letters which are of small characters and as it appears that he is unable to do the duties of the office owing to the disease of his eyes, and as I donot think that the Sirkar work will be efficiently transacted in case of his being allowed to attend to his duties any further — I am not minded to permit him to do work any longer.

You are therefore directed to take a

Razeenamah from him at once & forward the same to me and also to inform him that he should appear in person before me either at this place within the 5th Instant or afterwards at Mayaveram without any delay and present an application with a list of his services — and to send him accordingly —

Sir,

In forwarding herewith an application for Superannuation pension on behalf of Sami Aiyangar late 2nd Gumastah or Clerk in the Taluk Cutcherry at Shially, I have the honor to inform you that the Applicant is obtained sick leave on the 24th October 1864 for a short period which was subsequently extended till the date on which he resigned the Service, viz. 5th September 1866. During this period Sami Aiyangar was directed to ~~permit~~ present himself before the Zillah Surgeon at Tanjore, who expressed, in general terms, his opinion that he was unfit for further Service but declined to grant a formal certificate unless he was under his treatment for some length

of

of time. Sami Ayjangar not only omitted to place himself under the Zillah Surgeon's treatment, but also omitted to present himself to the Civil Surgeon of Tranquebar, who had also been addressed on the subject. As the Applicant was evidently unfit for work, he was directed to resign his appointment, and to produce a formal Medical Certificate from the proper Authority. As observed before he resigned on the 5th September 1866, but declared his inability to appear before the Civil Surgeon at Tranquebar, whereupon he was informed that no application for pension would be submitted on his behalf until he obtained and produced the required Medical Certificate. He then appeared in January 1869 and begged that a pension might be granted him, and afterwards produced the Medical Certificate herewith forwarded. Under these Circumstances, I have entered the date of the Certificate as the date from which the pension is to commence.

In Proceedings of the Madras Government, Pension Depat. dated 5th April 1865 No. 136, the Governor in Council directs that "In future every pension Certificate shall state definitely that the applicant has been under regular treatment and for what period."

+ Vide Police Weekly Circular 15th April 1865 Page 106.

I have examined the state of health of Sawmy Iyengar Goomastha of Shealy Taluq and reported to you that in my opinion he will never be again fit for duty, but he has not been under my treatment and consequently with reference to the above order until he has been treated by me I can not give the necessary Certificate.

You will also observe by reference to the above order that only in the case of uncovenanted Servants drawing Rs 50 and upwards is countersignature by two Medical officers necessary.

Under these circumstances the
proper course would, I think, be
to direct the Goomastha in questi

Sir,

In reply to your letter No. 49 dated 12th June last. I find, after communicating with the Assistant Apothecary at Combaconum, that the Goomastha of the Shealy Taluq to whom you refer is quite blind of one eye, and can see but very little with the other. I think the best way of disposing of his case would be to direct him to appear on the expiration of his present leave before either the Civil Surgeon at Tranquebar or before me here. His certificates are herewith returned.

In reply to your letter No. 61 of 25th Ultimo I have the honor to report that Sheally Taluq Goomasta Samy Iyengar came to me yesterday. After careful examination, I find that his eye-sight is so seriously impaired,- in fact, he is all but blind.- that he is quite unfit for the duties of his post.

As in ~~[illegible]~~ my opinion there is not the slightest hope of his ultimate recovery. I recommend that he may be dismissed from the public Service on the ground of physical unfitness.

ORDER THEREON, 19th March 1870, No. 127.

Karuppur Samy Iyengar, late second Goomastah of the Sheally taluq in the district of Tanjore, was first entertained on the 21st May 1844, and served in eligible grades until the 24th October 1864. He then took sick leave on half-pay on account of disease of his eyes, and obtained extensions of leave till the 5th September 1866, on which date he applied under the orders of the Head Assistant Collector for pension. His qualifying service amounts, therefore, to twenty years, five months, and five days.

2. It is stated that, in 1865, the applicant was sent for medical examination in view to his superannuation, and that he appeared before the Civil Surgeon of Tanjore, whose opinion as given in his letter to the Head Assistant Collector, No. 90, dated 11th August 1865, is transcribed in the margin. Notwithstanding his opinion expressed in the second paragraph, Dr. Ross conceived himself precluded by the orders in the Department, No. 136, dated 5th April 1865, from granting a formal medical certificate, unless the applicant placed himself under treatment. This he omitted to do.

> " Samy Iyengar came to me yesterday. After careful examination I find that his eye-sight is so seriously impaired, in fact he is all but blind, that he is quite unfit for the duties of his post.
> As, in my opinion, there is not the slightest hope of his recovery, I recommend that he be dismissed from the public service on the ground of physical unfitness."

3. When he was removed from the service in September 1866, Samy Iyengar was directed to produce the requisite medical certificate in support of his claim for pension. He pleaded that illness prevented his presenting himself for examination. He was then informed that no application would be made on his behalf until he should do so ; but he did not obtain a formal certificate till the 13th February 1869, two years, five months, and nine days subsequent to his retirement, and four years, three months, and twenty days from the date on which he ceased to do duty. This certificate sets forth that at its date the applicant was almost totally blind.

4. His Excellency the Governor in Council accepts the certificate, coupled with the letter of the Civil Surgeon of Tanjore, above referred to, as sufficient evidence that at the date of Samy Iyengar's retirement, 5th September 1866, he was physically unfit for further service, and resolves to grant to him, subject to the confirmation of the Government of India, a pension of Rupees 6-8-0 per mensem, being one-third of his average pay during the last five years of his service. The recommendation of the Collector that the pension should have effect from the 13th February 1869, the date of the certificate, is approved.
