2 Mr. Kelly's circular dated 21st December
1864 regarding the revision of the salaries of
Revenue Inspectors and others, was communi-
cated to this office in the end of January
1865: at which time Nagjee Row held the
post of Revenue Inspector (1st class) The
appointments made with reference
to the circular above mentioned were
published in the District Gazette of the 3rd
February 1865 from which I quote the
following one. "Nagjee Row 1st class Inspector
Chingleput taluk on Rs 20 to be 2nd Inspector
on Rs 25" Although this arrangement appears
to be equivalent to degradation, it was
not intended as such, nor was it made in
consequence of any fault on his part. The
revised salary of 1st class Revenue Inspector
was Rupees 30 per mensem and took effect
retrospectively from the 1st November 1864. The
difference between the old and new rates
for November and December was paid to
Nagjee Row in March 1865 under the orders
of the Deputy Collector in charge of the treasury

In August 1868 Nagjee Row applied through the Sasildar for a month's sick leave, but as he failed to produce a Medical Certificate, the whole of his pay was stopped for the period during which he was absent viz from 1st to 31st August.

To

The officiating Examiner of Claims
Madras.

Sir

I have the honour to forward, for
the sanction of Government, a
registered application for a super-
annuation Pension for A. Nagoyie
Now late a Revenue Inspector
in the Chargeput taluk on the
ground of his inability thro' old
age to serve longer.

The statement of his services
as contained in the register
has been proved from the official
records to be correct and the account
bearing extract from the C. & S. Col-
lectors letter shows why, while
on receipt of Rs 30 a month, the
applicant was degraded

to a host of 25 Rupees

3 The medical Certificate in the prescribed form is also enclosed.

4 The delay in submitting the register is owing to two causes: 1st. To the Sub Col.lector not having submitted the register on account of his absence from the Head quarters of his Divn for four or five months and consequently difficulty of reference to his records and 2nd To the circumstances that, when the register was received at the District Head quarters, it was found that an enumeration

9
into the old records was necessary to verify the portion of the applicant's service that was passed in the Principal Division and a further reference had also to be made on a point which the Sub Col.lector had omitted to explain when originally forwarding the application.

I have the honor to be

Sir

Your most obedient servant

 which is not, in my own opinion, attributable
 to intemperance, or other irregular habits.
