No. 543.

Kistna District
Collector's Office at
Machilipatnam
7th February, 1870.

From, J. A. C. Boewell Esquire,
Officiating Collector.

To, J. J. Minchin Esquire,
Acting Chief Secretary to Government
in the Civil Service Department
Fort Saint George.

Sir,
In their Proceedings No. 2525 dated 11th December 1869 the Government have sanctioned the grant of compassionate allowance of Rs. 2.8- a month to Potimedy Varamah No. 20 in the list annexed in the said Proceedings. From 1st July 1867 up to 28th April 1868, being 9 months and 28 days, this individual served as an acting District Magistrate in the Sub-Magistrate's Office of Bunder Taluk. During that period he was paid the full salary of the Office viz. Rs. 7 a month, the permanent incumbent having been appointed as one of the inspectors of the Mysore and Madras Parganas of the British Government attached for arrears of Pishchahi due to Government. The question now is whether Varamah is entitled to compassionate allowance for the above period, which was ordered to be paid in arrears from 11th December 1868. I have therefore the honor to request the orders of Government on the subject. In the case of persons temporarily employed in Estates under attachment, the Government have lately decided that they are entitled to compassionate allowance for that period also on the ground that their salaries were debited to those Estates. This, I think, does not apply to Varamah, for he was paid from Government tho' the appointment was an acting one.

I have the honor to be,

Your most obed^t servant,
J. Boewell

Officiating Collector.
