Order, 4th March 1870, No. 101.

The foregoing application is submitted on behalf of Maruda Muttu Pillai, late peon on eight rupees per mensem, on the establishment of the Sub-Collector of Madura, who served for thirty-seven years, eight months, and twenty-one days, up to the 31st August 1868. He was on that date dismissed on account of inefficiency from old age and infirmity by order of the Acting Sub-Collector Mr. Bliss, but he was not sent for medical examination till the 18th February 1869, as the Acting Sub-Collector, until ordered by the Collector to whom the applicant presented a petition, took no steps to secure him any pensionary allowance. The applicant is now sixty years of age, by his own statement and the certificate of the Surgeon, and his character and conduct are reported to have been good.

2. The Collector on the ground that the applicant ceased to do duty only one month and four days before the date of Despatch of the Secretary of State of the 14th October 1868, recommended that a compassionate allowance should be granted.

3. His Excellency the Governor in Council resolves to grant to Maruda Muttu Pillai a gratuity of six months' pay, or Rupees 48, under the old rules, and subject to the confirmation of the Government of India ; and directs that the Supreme Government be requested to sanction, with reference to their order noted in the margin, the applicant's admission to a compassionate allowance of Rupees 4 per mensem, 31st May 1869, No. 884, Financial. with effect from the 26th January 1869, the date of the applicant's petition to the Collector.

4. The Acting Sub-Collector should have been aware that the applicant was at least entitled to gratuity if incapable of further service, and that it was his duty to have caused him to be examined by competent medical authority before discharging him on such grounds. The Acting Sub-Collector's omission to do so has caused great delay, and imperilled the applicant's claim, besides rendering necessary a reference to the Government of India. When attempting to compensate the applicant for his removal, and to provide for his old age by giving his son an appointment, Mr. Bliss should have recollected that the Government have laid down rules for securing these objects in a different way.
