MY 13
MADRAS

Sydapet 12th May 1869

From

E. G. R. Fane Esqr. Collector, Madras District

To

W Donald Esqr. Examiner of Claims

Sir

I have the honor, in reply to your memo of the 15th ultimo, to state.

1stly that it is utterly impossible to give the detail you ask for, with dates of local postings and details of pay &c &c as the Pay abstracts which were the only records that would have contained the information were destroyed. Before they were so destroyed however the total period of the Service of each individual entered in the present register appears to have been noted down from them - It was with reference to this fact that I stated in my letter of the 17 March last that the applicant's services could in no case be borne out by the records but that the correctness of the various entries ~~were~~ was vouched for by the Tahsildars and Sub magistrates under whom the applicants had served

2ndly (10-11) For the above reasons no explanation of the apparent breaks and degradation can also be given.

3rdly (17) The remarks at foot of the register are required to be deleted as none of the applicants had ever received any gratuity

4thly (20) Regarding testimonials of character it was considered that they had already been entered in the column "Remarks by the head of the office" As the Tahsildars [the Heads of office] simple statements were thought as good as any affidavits and that any other formal record was uncalled for.

5thly (29) Nos 21 and 25 on the register appear to have been suspended in the month of September 1860 for neglect of duty in a theft case: the suspension were not over when the reduction of establishment took place but the period between the date from which the suspension took place to October 15th the date of reduction, has not been allowed as part of their service.

6thly & lastly (30) The errors and the omissions pointed out are caused by an inadvertance and they are rectified accordingly.

The explanation now offered will, I trust, be found sufficient for the applications of these poor men being passed without further reference.

I have the honor to be

No. 53

From,
E. G. R. Fane Esquire,

To,

Examiner of Claims

Sir,

I have the honor to forward for the sanction of Government a Register of application for gratuity on behalf of 73 persons being some of those thrown out of employ on the introduction of the Pelley's scale on the revision of establishments.

2 As at the reduction most of these persons had to quit their respective station in quest of other employ their applications for gratuity were received from all directions. The statements of their services are, you will observe, in no case borne out by the records as none were regularly kept concerning service of such inferior servants; the work of scrutinizing the truth of their statement was therefore entrusted to one

of my Assistants who summoned every one of them and instituted a personal enquiry and took down statement from each of them and in order to verify this statements a copy was sent to the different Tahsildars under whom the applicants had been employed and on receipt of the Tahsildar's reports a final statement of each case was prepared and with reference to that the register of application is now only submitted.

3 From having to make so many references the delay in submitting the complete Register is accounted for.

4 As the services of each particular servant was found from enquiry and report of the Tahsildars and Sub Magistrates to have been correctly stated, affidavits were dispensed with.

5 Medical Certificates not being required none are sent.

To, The Honorable R. S. Ellis C.B.
Chief Secretary to Government

Sir, With reference to the Under Secretary's Official memo No. 24 of the 23d June last, I have the honor to state, that most of the papers connected with the cases of gratuity of the 75 individuals therein referred to, were destroyed in 1862 together with some useless records under the orders of the then Collector.

2 Before this took place, however, lists were obtained from the Talugs, shewing in the gross the services of the peons to determining, with reference to the revision of Establishments, which was going on at the time, who would have to be

thrown

thrown out of employ. It is from the information supplied by these lists, copies of which were preserved in the Talugs, that the Tahsildars have certified to the services of the peons, in question.

Order thereon. 10th June 1870 No. 237.

The foregoing is an application for gratuities ~~am~~ amounting to Rs1129-12- to the 73 persons enumerated in the annexed list, who were thrown out of their employments as peons in the district of Madras on the introduction of Mr. Pelly's scale in 1860.

2. The services of these peons are stated not to have

was not supplied till the 6th April 1870.

3. The necessity of making many references is assigned as the cause of the original delay, but the Ag. Collector offers no explanation of the omission for ten months to reply to the memoranda addressed to him from the Govt. Office. Both delays seem due to sheer neglect and to the want of proper arrangements for the despatch of current work. The Govt. cannot but regard ~~this a state of things~~ the explanation of the delay that has occurred as very unsatisfactory. ~~and direct the Ag. Collector to take early measures to remedy it~~ ~~to prevent any future~~

4. His Excellency the Governor in Council

GK
