for Constables as per margin, I have
the honor to submit the following
explanation regarding the delay.
The Constables in question
were discharged in October 1867. &
gratuity rolls for them, were submit-
ted in August 1868. But no sanction
having been received up to 20th May 1869
a Reminder, was sent on that date,
to the Chief Officer and in reply
thereto having been informed,
that the gratuity Rolls in question
were returned to the District Office,
for certain corrections, and the same
not being forthcoming in the office,
a notice was published in the Police
sheet, requesting the Constables in
question to appear again before
the Zillah surgeon, with a view of
obtaining

No 1094 &c Range P. Pub.
No 1197 &c Prohance Aswan

Obtaining fresh Medical certificates
Thus after obtaining fresh
certificates and also lists of their
previous services in other departments
prior to their entertainment in the
Police, fresh gratuity Rolls are
now submitted. Hence the delay.

2. The constables have served more than five and less than fifteen years in the Police and were formerly employed in the Revenue Department. They are reported to be men of good character, but now unfit for service as certified by the Medical Officer.

3. I beg therefore the sanction of Government for the grant to constables Rangappa and Chelik Homed of six months' pay and for Mahomed Bomer of four months' pay under the old Rules, and eight months' pay for constable Venkataappa under the new Rules.

4. I beg to forward for the information of Government letter to ^{to} dated 16th instant from the Superintendent of Police Cuddalore explaining the cause of delay in submitting

the present Rolls. The original Rolls and certificates which were returned to the District from the Office for connections were lost in the District Office. Moreover the statement of previous service in the Revenue Department of constable Venkataappa has only been received lately from the District and hence the delay.

2. The delay in the submission of the rolls in these four latter years (from 1837 to June 1859) is stated to have been caused by the loss of the original rolls upon their being returned to the district office for correction; and to the difficulty of obtaining fresh copies of the same issued in the Bureau Office.
