This is to certify that I have this
day examined one Gurusami
Naik, formerly a Peon in Wanda-
wash taluk, and found him
suffering from Cataract, a
disease of the eye producing
blindness. He is totally blind
and is therefore wholly unfit
for service. I would recommend
that he come to the Dispensary.

Sir

Collector of North Street

I have the honor to enclose
an application for gratuity, on behalf
of Gulesome Park, formerly a person
of the Wandawash Salage. He was
dismissed from his service in
January 1858, in consequence of un-
fitness, from sickness.

2. On the 7th November 1858, he
presented a petition praying for
gratuity and stated the total period
of his service to be about 32 years.
His service with the Wandawash Salage
was easily ascertained, but the amount
made to find out that in the past
and the later terms the Salage proved
unsuccessful.

3. As can be seen from the accompanying Medical certificate, he is totally blind and unfit for further service.

4. I also forward another application for grant of Gratuity to the widow of a deceased person. Ganapathi Naik, he is stated by certain Village officers and others, who were examined before the District Magistrate, to have served for about 15½ years, in the District Police Catchery. His statement cannot however be accepted by a reference to the records in that Catchery, as all the old records there were destroyed some time ago; but that Ganapathi Naik was in Public Service for about 15 years seems to be an undoubted fact.

5. The exact period of his service and when his pay was

raised from Rupees 3-8-a to Rs 5-a not being known Gratuity for four months at the rate of Rs 3-8-a per annum is recommended.

I have the honor to be,

Sir,

Sir,

In reply to para 1 of your letter
No. 1066 dated the 18th ultimo, I have the
honor to inform you that although Garson
naik was removed from the government
service on the 21st January 1858, yet his
application for gratuity was not filed
until 10th November 1868.

As the applicant was not one of
those discharged on the introduction of
Mr. Pelly's system, he was directed to
produce medical certificate which he
did on the 25th September last.

The delay (which occurred subse-
quent to the production of the medical
certificate) in the submission of the

 Collector of North Street
 Sir,
 With reference to para two of your
 letter No. 1096 dated 18th November last, I have
 the honor to inform you that to the best
 of my belief the period of service of
 deceased person Anne Ganapati maik is that
 specified in the register of an application
 for gratuity which was returned with
 your letter under reply, and which is here
 with again submitted. This was ascer-
 tained on inquiry by the Sub Registrar
 the records having been destroyed.
 As regards the delay between the
 date of his dismissal, on red action
 of establishment, and the date of the
 register of application, I have the honor

to state that it was only on the 10th Sep-
tember last, that the widow of the de-
ceased person, submitted an application for
gratuity, which was forwarded on the
following day to the Sub Magistrate of
Arris for verification and report. The
subsequent delay was unavoidable; as,
there being no records which served
to throw any light upon the subject,
the Sub Magistrate was obliged to make
an inquiry into the facts.

The information required in para one
of your letter under reply will be sent
to you as soon as the necessary
reports are received from the Tahildars
of Arris and Bandanah, to whom
orders have been issued on the subject.
