No. 70

MADRAS,

Dated 18th Dec 1864.

Received

The Under Secretary to Government, Public, &c., Departments is directed to request the

Examination of claims to show whether the services of Shanmugam Venkatarow (Vide enclosed register to be returned) from 1st March 1864 to 23rd Oct 1865 have been verified & whether the applicant drew the full salary then attached to the post he held, which that collector states was payable. It is not quite clear from this that the applicant was employed in the post, & if he was, why his pay was in arrears on 23rd Nov 1865.

(Signature)

1. I have the honor to submit the following explanation on Nos. 3, 5, 6, 32, 39, 40 and 41 called for in your letter of the 21st ultimo, on the Register of application for pension on behalf of K. Virkata Reddy a heristadar of Rajapett Taluk.

3. The applicant reported that he had never enjoyed during the whole period of his service, any leave other than privilege leave which he took only on four occasions, but there is nothing on record to verify the same.

5. The omission has been supplied.

6. The period of the applicant's service from 17th May 1843 to 7th Nov. 1845 is verified from an entry in the Register of Public servants of the late Quarter Collectorate, but this individual's name does not appear to have been entered in the establishment returns for 1844 and 1845 forwarded to the late Civil & Auditor's Office by the Collector of the late Quarter District, because that service was rendered by the applicant while the Estate of a Mannir Zamindar at Chil Kaluipeta was under attachment by the Collector for arrears of Tashreeh. The appointment may be seen from the enclosed order issued to him by the Collector of the late Quarter District. The salary of the applicant during that period was charged to the collections of the Estate and included in the annual Jamabandi Returns submitted to the Board of Revenue.

32 and 39. According to the details given on the 2^d side of the Register the total period of the applicant's service Viz. 33. 10. 10 is correct, and not 33. 10. 5 as altered in pencil, which appears to have been calculated without reference to the number of days in each month of the year. I have however made the alterations in red ink as directed.

40. The appointment was permanent.

41. The old Mannir and Mannarampett Taluqs were amalgamated.

No. 1450
REPORT OF THE Examiner of Claims

Service qualifying for pension is proved for a total period of... 25 - 11 - 29
Rs. A. P.

In the last 5 years of his service the average pay of the applicant's permanent post was ... 57 - 8 - 3

Applicant is eligible to a pension of Rupees 28-12-00 per mensem, equal to a month of his average salary during the last 5 years, under Clause III of Section 6 of the Revised Pension Rules.

As the applicant drew Rs 100 as salary in charge of Tasildar from 23rd Feb to 24th Mar 1869, his permanent salary of Rs 100 appearing in his permanent salary has been taken into account in calculating his average salary which is therefore Rs 57-8-3 and not Rs 59-8-3 as given by the collector in item 16 of the 1st side of the Register.

The statement of his salary does not appear to be very reliable. He has not certified that he has served for more than 10 years. The point is not a material one. The phrase 'as given' is not a phrase used by the Collector in the Register. It is a phrase used by the Collector in the Register. It is a phrase used by the Collector in the Register.
