*Proceedings of the Madras Government, Pension Department,
21st July 1870.*

Read the following papers:—

From the Acting Civil Judge of Cuddalore, dated 7th December 1869, No. 14.
Report of the Examiner of Claims, dated 21st April 1870, No. 468.

ORDER THEREON, 21st July 1870, No. 319.

Appaswami Ayyar, on whose behalf the foregoing application has been submitted, has served up to 31st October 1868 for thirty-three years, two months, and twenty-seven days, but of this period only twenty-one years, two months, and seventeen days were passed in grades qualifying for pension. On the date above mentioned, the applicant was certified to be unfit for further duty, but on his request, preferred in his application for pension, that he might be permitted to do duty until his pension should be sanctioned, the Acting Civil Judge permitted him to retain his office until the 31st March 1869. Mr. Hodgson explains that on seeing the Notification, dated 22nd March 1869, calling the attention of Heads of Offices to the previous orders of Government, prohibiting the retention of applicants for pension who have been declared unfit for service, he removed the applicant's name from the effective list. He explains that the delay in the submission of the application till the 7th December 1869 was owing to departmental investigations into a charge of breach of trust preferred against the applicant. The charge having been found unproved, the application was then forwarded.

2. His Excellency the Governor in Council is pleased to grant to Appaswami Ayyar the pension of Rupees 5-8-0 per mensem, to which he is reported to be entitled. It will have effect from the 1st April 1869, under the orders of the Government of India, dated 21st February 1856, No. 848.

3. The Acting Civil Judge should have been aware of the orders of Government which forbade the retention of Appaswami Ayyar; but the Government will not insist upon his personal responsibility for the pay drawn by that individual from the 1st November 1868 to the 31st March 1869. To recover it from Appaswami Ayyar is, in the opinion of Government, unnecessary. They believe that the orders on the subject are now well understood.

The humble application
presented by App as a witness
Jyer Road Goomastah in
the Chululacum Moonisipp's
Court.

Most humbly
Sheweth,

I most respectfully beg
leave to state that previous to the
appointment of Servants to the District
Moonisipp's Courts on Government pay,
I served 8 yrs as a private Goomastah
in the Chululacum Moonisipp's Court.
From November 1834 in which Servants
were appointed on Government pay up
to 23rd October 1868 it amounts to 33
years, 2 months, 24 days all amounting
to 41 yrs and 2 months and 24 days, during
which period viz. from my youth up
to this date, I was discharging my
duties with diligence and integrity -
As I am now labouring under
infirmities, I am unable to serve
any longer; I have herewith pro-
duced a Certificate, for inspection,
granted to me by the Doctor re-
garding the same.

from L. Rogers
o. h. 14/10/1868

Of the above 1, 1 yrs, 7 months
and 24 days, I was 8 yrs, during which
I was in private service under Moonsiff,
my remaining Government service
amounts to 33 yrs, 7 months & 24 days.

Of which, the period of
my service below 10 Rupees is 5 yrs
and 7 months, and above 10 Rupees,
27 yrs, 7 months and 24 days. But
in the interim, by order of the Sudder
Court dated 4th November 1852 which
was sent confirming their Circular
dated 11th September 1852 and by order
of Civil Court dated 21st June 1853
directing to pay at the rate of 60 Rs
per month for servants of this Court,
the Moonsiff then removed and
Goomastah and distributed the said
60 Rupees among the remaining
6 Goomastahs.

Such was 2nd Goomastah
previously to that was receiving
10 Rs, 8^{rs} as per sanction of Govern-
ment. But in the said arrangement,
my pay was reduced to 10 Rs. Con-
sequently, the said service also must
be duly taken into account.

In the above orders, it is
stated that a salary of Rs 100 should
be

15
he paid to the newly appointed Moon-
siffi Rs 140 to the old Moon-
siffi per annum.

In the same manner as
arranged to the old Moon-
siffi to pay a salary at the rate
of 140 Rs, a salary of Rs 10-8-0
having been sanctioned by Govern-
ment to the said 2nd Goomastah
post for a long time previously
to that, and a salary of Rs 14-
a month having been sanctioned
to the said 2nd Goomastah from
1st September 1862, and as I con-
tinued in that post for a long
time, I who am poor humbly
solicit that the above service
also must be allowed to me.

In Section 630 of the
Pension Book published by Madras
Rajana Charan in 1868 as it is
stated that pension should be
paid even to person in 10 Rs pay
and as it is published by the
Government Order No. 850 dated
23rd August 1864 that if a person
who was in a post which entitles
him to a pension, goes to a post

which does not entitle him to pension,
and come back to that which
entitles him to pension, the Govern-
ment allowed even that portion
of period of service which does
not entitle him to a pension, as
fit for pension.

As I spent my whole
time in the said service for a period
of 11 years and turned infirm and
as I have no other means of
livelihood, I humbly request your
honor will be pleased to allow
even that period during which
I am as were reduced out of my
pay may be taken into account
for the above stated reasons; I
further request your honor will
be pleased to recommend on my
behalf to the Government on the
over age of 5 years and thus pro-
tect me. I who am your poor
servant humbly request that sanction
may be obtained for half pension.
I further beg to be permitted to do my
duties if sanction is received.

of Chidambaram, I have the honor
to state that he was allowed to retain
his appointment for a period of 5
months after the date of Medical

that month. I have, therefore, in
calculating his total Service, ex-
cluded the period of 5 months,
during which he was erroneously

an inquiry in an allegation of

the applicant which fell through
in the departmental investigation
which I thought my duty to make
as to the state of his accounts before
acting on his Certificate.

In a general remembrance of the Commission established this applicant's salary was continued by 8 annas from July 1853 and he was therefore drawing only 10 Rupees per mensem - 6 p. - 8 a. - It is not for this reason the applicant would have secured a sufficient period in the pension grade to entitle him at the first time to a moiety of salary. The deduction from pension grade was not for any fault of his but to suit the convenience of Govt. when making the arrangements for the establishment.

The explanation given by the Civil Judge in his letter of 7th Dec 1869, with reference to the applicant's situation in Govt. service from 1st Nov 1858 to 31st March 1869, has not been accepted in the above report. his office until the 31st March 1869. Mr. Hodgson explains that on seeing the notification dated 22nd March 1869, calling the attention of Heads of Offices to the previous orders of Government prohibiting the retention of applicants for pension who have been declared unfit for service, he removed the applicant's name from the effective list. He explains that the delay in the submission of the application, till the 7th Decr. 1869, was owing to departmental investigations into a charge of breach of trust preferred against the applicant. The charge having been found unproved, the application was then forwarded.

2. H. E. the Governor in Council is pleased to grant to Appaswami Ayyar the pension of Rs 5-8-0 per mensem to which he is reported to be entitled. It will have effect from the 1st April 1869 under the orders of the Govt.

I am not sure if it is correct to say that the applicant was not notified of the orders of Government dated 22nd March 1869. It was only on the 7th Decr. 1869 that the application was submitted. The delay was owing to departmental investigations into a charge of breach of trust preferred against the applicant. The charge having been found unproved, the application was then forwarded.

In March 1869, the Govt. was informed that the applicant had been notified of the orders of Government dated 22nd March 1869. It was only on the 7th Decr. 1869 that the application was submitted. The delay was owing to departmental investigations into a charge of breach of trust preferred against the applicant. The charge having been found unproved, the application was then forwarded.

This is a very important case. The applicant is a very old man and has been in the service of the Government for many years. He has been declared unfit for service and has been receiving a pension of Rs 5-8-0 per mensem. The Government has ordered that the pension should be discontinued. However, the applicant has been notified of the orders of Government dated 22nd March 1869. It was only on the 7th Decr. 1869 that the application was submitted. The delay was owing to departmental investigations into a charge of breach of trust preferred against the applicant. The charge having been found unproved, the application was then forwarded.

Government of India dated 21st Feb 1856, No. 48.

3. The Ag. Civil Judge should have been aware of the orders of Government which forbid the retention of Appaswami Ayyar, but the Govt. will not insist upon his personal responsibility for the pay drawn by that individual from the 1st November 1868 to the 31st March 1869. To recover it from Appaswami Ayyar, is in the opinion of Government unnecessary. They believe that the orders on the subject are now well understood.

Note with reference to the marginal note it seems better not to recover the excess pay disbursed. The cases are now very few. To recover there would be a great expense and it is a hardship to recover from the pensioned. R. K. S. 10/1
