The Superintendent of Bellary has the
honor to report with reference to para 1
of memorandum No. 6675 that the
Garrison Surgeon informed that the
original Medical Certificates called
for have been destroyed. The revised
ones are herewith returned.

The delay in submitting the Rolls re-
turned from Chief Office on 22^d July 1869
was caused as follows. The returned
Rolls were received in the District
Office on 24th July and were detained
there until the 19th August through
the forgetfulness of a subordinate.
a letter on the subject of the Rolls was
sent to the Garrison Surgeon on 19th
August who replied on 23^d of the same
month requesting that the constables
in question might be directed to attend
at the Hospital. The Constables were
sent for from their villages and appeared
before

before the Garrison Surgeon came on 7th and
the rest on 23rd September when that Officer
sent the required information and reply
to the Chief Office was despatched on
7th October - the latter delay occurring
through the Superintendent's absence -

Finally the undersigned has the
honor to bring to notice that delay in
these reports must occur during his
absence from Head Quarters, owing
