* This service is proved by records. Application made on 17th March 1868. (N.B.) The delay in the submission of this application is owing to the following reasons which were approved by Government in their order in the Pension Department dated 20th November 1868 No 39/5. "2. The Collector of Madura explains in his letter dated 7th August last No 1242 that it is usual with servants of the class referred to when thrown out of employment to wait for some time before applying for gratuity or pension with a view to re-enter the service of Govt. and it is only as a last resource that applications are made for gratuity or pension as the case may be." "3 This explanation satisfactorily accounts for the delay which has taken place in the submission of the Register." After the receipt of the Petitioner's application a careful examination of former records in the different Talugs in which he had served was required to verify the Petitioner's account of his services and this has been productive of some delay in reporting on the case.
