*Proceedings of the Madras Government, Financial Department,
8th January 1870.*

No. 39. Read the following letter from the Under Secretary to the Government of India, Financial Department, to the Acting Secretary to Government, Fort Saint George, dated Fort William, 20th November 1869, No. 2572.

Pensions and Gratuities.]

In reply to your letter, No. 481, dated 12th October 1869, I am directed to say that, for the reasons therein stated, the Governor-General in Council concurs in the opinion of the Government of Fort Saint George, that it would not be equitable to charge against the Police Superannuation Fund the whole of the compassionate allowances claimable by members of the Police Force under the Resolution of this Department, No. 3272, dated 25th November 1868. But at the same time, looking to the approaching abolition of the Police Superannuation Fund, it does not seem to be expedient to make any adjustment of the charge on account of the compassionate allowances between the Fund and the Government, and His Excellency in Council is accordingly pleased to direct that the entire amount of the compassionate allowances, payable to Policemen under the Resolution of 25th November 1868, be defrayed from the Imperial revenues.

Ordered that a copy of the above letter be furnished to the Accountant-General, Madras.

No. 40. ORDER THEREON, 8th January 1870, No. 24.
Communicated to the Pension Department, and also to the Inspector-General of Police.
