any principle that the granting of Chaini remission simply on the statements submitted by the Village Officers is not quite proper and that before proceeding with the works it is necessary to cause inspection to be made by the Taluq officials to ascertain whether the Chaini is present or whether the Chaini Statement was correct, thus a present chaini is placed in the statements submitted by the Taluq officials as showing the result of their inspections in the remission of such large sums of money due to the Circar.

It has come to my notice on some previous occasions that the last Gomasta was not properly discharging his duties; he was also warned on another occasion where it came to my knowledge that this Gomasta having had to inspect & Tangal in consequence of a complaint from the inhabitants of Kaveripoom failed to conduct the measurement properly according to Zymash & enter its contents with plan. In spite of this the Gomasta has made inconsistent statements in the depositions given by him in the very important subject

subject of Chavi inspections; his assertions being thus deserving of no credit the said Gomasta Chakrapany Row is suspended for this Offence from his Gomastaship for the space of 3 months commencing from the 9th Instant. His place should be filled up by Streenivassa Row Daftardar of the above Taluq & Streenivassa Row's place by Narayana Row, Volunteer. You are therefore directed to cause entries to be made in the list of Servants to conformity with these acting appointments and to get the work done by these individuals. Though Streenivassa Row is appointed to act as Gomasta still he should consider doing his present duty that of arranging the records. This case has been filed as Miscellaneous number 10 of the present Year.

Explanation of Column 6 with quotations of orders of reinstatement.

The applicant has been twice suspended 1st on the 5th April 1858 for 3 months for having omitted to bring to the Tahsildars notice certain points which seemed suspicious to him while making certain examination of fields & included the same in the remission statement & secondly on the 7th April 1869 for 3 months & 6 days for having made some incorrect entries in the statement submitted by him after inspecting certain Kharif waste lands. — Translations of these orders are forwarded herewith.

Explanation of any degradation.

The degradation of the applicant on the 1st September 1865 from the post of 3rd class Revenue Inspector on Rs 14 to that of Gumastah on Rs 12 was at his own request as will be seen from the accompanying translation of the Deputy Collectors Order No 28. dated 15th August 1865.

Remarks by the Head of the Office on past character and conduct of the applicant throughout the service.

The applicant has served upwards of 31 years but his service in grades eligible to pension amounts to only 6 years & 27 days. His conduct seems to have been good except in the two instances mentioned in which he was suspended. Taking into consideration the length of the applicants service viz: 31 years and that the greater portion of it had been in ineligible grades, the Collector recommends him for a gratuity of 6 Months pay amounting to Rs 90 to which he is entitled under the new rules.

REPORT OF THE Examiners of Claims.

	Years.	Months.	Days.
Service qualifying for pension is proved for a total period of...	8	8	28

Applicant is eligible to a gratuity not exceeding Rupees 120 equal to 8 months' salary under Clause 1 Section 6 of the Revised Pension Rules.

It will be observed from the accompanying translations of orders that the applicant was twice suspended during his service for having omitted to bring to the Tahsildars notice certain suspicious points in connection with remission statement and also for having made certain incorrect entries in the statement submitted by him. The Collector erroneously deducted the underage period in addition to the period of ineligible service.
