 No. 560

Extract from the Minutes of Consultation
 Under date the 21st May 1853

Read the following letter from
 the Secretary to the Board of Revenue
 Dated 11th April 1853. No. 144

Para 1. With the foregoing communication the
 Board of Revenue submit three letters from the
 Collector of Canara soliciting additions to the
 present Establishment of this District consequent
 on the abolition of the Tobacco Monopoly and from
 other causes.

2. In the first of the letters submitted
 the Collector adverts to the inadequate footing
 on which the Establishments of this District
 have been maintained and to the necessity
 which has arisen in consequence of carrying on
 the work of the Department by the Assistance of
 Servants in another. Hence it appears much
 of the duty in the Police, Revenue, Salt and
 Coin Departments has been performed by the
 Tobacco Establishment and the several Depart-
 ments having thus become more or less blended,
 the entire reduction of a Department so extensive
 as that of Tobacco has created a difficulty in

Enclosure
 A letter from the
 Collector of Canara to the
 Secretary of the Board of
 Revenue dated 11th April 1853
 No. 144

3. From Statement A submitted with the above letter it appears that on the termination of the Monopoly on the 31st December 1852 the Tobacco Establishment consisted of 213 servants drawing an aggregate monthly salary of 1203 Rupees, of these 11 servants have since been provided with situations in other Departments 152 are to be dismissed and the remaining number the Collector proposes to retain and to employ in the following Departments

abolition of the Salt Revenue.
6 In regard to Nagasale the Board observe
Para 9 that it is the principal place for the Manufacture
of salt in the Canara District and the quantity
produced has lately been increased by 500, garces or
Indian Maunds 60000. The total manufacture amounts
to 1500 Garces or Indian Maunds 180,000 which with
the Stock of the previous year is valued by the Collector
at Rupees 300,000. The Establishment at present

present allowed for the receipt, custody and distribution of this large amount of property consists of 19 servants drawing an aggregate monthly salary of Rupees 108. This Establishment the Collector and the Board of Revenue consider inadequate to the labor and responsibility devolving on them and the Collector is satisfied that much of the loss of wastage of Salt in this Tannah where the percentage was extremely high has arisen from want of efficient control. He therefore proposes to increase the number of servants to 32, augmenting at the same time the salaries of those at present underpaid at an additional monthly cost of Rupees 111.

At Ruttigal the Board observe the sales of Salt have increased from 239 to 649 gars or little short of 3 fold. The sales they add now amount to Rupees 77,800 for conducting and taking charge of which the highest servant attached to the Tannah is a Monegar on Rupees 8 per Mensem. The Collector therefore proposed to increase the Establishment from Rupees 39-8 to Rupees 122 per Mensem employing 17 servants instead of 8 at an additional charge of Rupees 82-8 per Mensem.

In respect to the Cultivat and 6 Reons proposed to be entertained at a cost of Rupees 47-8 per Mensem for the town of Sircy the Board observe that this town has increased within the last few years from a small Village to a town of very considerable importance owing to the opening of the

great high road from Darnid to Complan by which nearly the whole of the cotton trade is carried on to the coast. The population they add now amounts to 1,400 besides the constant influx of strangers. The police duties therefore have increased beyond the means of the present Establishment to perform them and require an officer whose duties do not require him to move about the district as is the case with the Tahsildar who has the Revenue and Police of a very important talook to attend to.

The Government quite agree with the Board under the circumstances represented that the additions proposed by the collector for the Salt and Police Departments are highly necessary for the protection of this important branch of revenue and the efficient discharge of the public business and they resolve to recommend to the Government of India the various additions proposed which they observe involve a total monthly expenditure of 623 Rupees as exhibited below

Sir,

Albo C. Webster Esq.
Officiating Collector of
South Canara.

To, The Examiner of Claims
Madras.

In retransmitting the accompanying application for a superannuation Pension for S. Venkatramanay, late Salt Superintendent of Mangalore, which was returned with your letter, dated 11th January 1870, I have the honor to furnish you with the following replies to the several queries contained therein.

(1) Encl. I.

Query 6 Applicant's service from 16th August 1824 to 15th April 1846 is proved from the records and was of a permanent nature.

(2) Encl. II

Query 28 A translation of the order of the Zillah Court dated 29th March 1832 is enclosed.

Query 29 A translation of the order of the Principal Collector, dated 10th April 1832, N^o 524, re-instating applicant in the Government Service is herewith forwarded.

23/5

Query 32 From a more searching enquiry made in regard to applicant's service from 12th July 1819 to 15th December 1824 it appears that applicant was employed as Police Ahmashie on Pst 14 from 12th July 1819 to 31st August 1821, that on 1st September 1821 he lost his post owing to reduction of Establishment and was on that.

that date appointed as Seavut (Peon doing Clerk's duty) on Rspees 5 and continued in this post till 15th December 1844, when he was appointed as Police e Hornshi on Rs 14 in the Bantwal Taluk. The necessary alterations as regard this portion of the applicants' service have been made in the Register resulting in an increase of his net period of service eligible for pension by 2 years one month and 20 days.

Query 39. Applicants service from 12th July 1833 to 15th August 1844 on the Tobacco Establishment was of a permanent nature and is included in the Maizen Labitah sanctioned by Government. The Government order constituting the Tobacco Establishment is not forthcoming in consequence of the destruction of the records of this office during the Coorg insurrection in 1837. On the abolition of the Tobacco Monopoly the Establishment was partly discharged and partly amalgamated with the Salt, Coir, Revenue, and Police Establishments under Govt. Minst. Consultation dated 21st May 1853, No. 560 Revenue Department, Copy of which is enclosed.

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

Besides the instance of dismissal noticed above and pretty fine inflicted on two occasions for certain irregularities in the discharge of his duty, there is nothing further on record unfavourable to the character of the Applicant who has latterly held responsible situations in the Salt Department and discharged them to the full satisfaction of his superiors. He is therefore recommended for the pension to which he is entitled under the Rules.

ORDER OF GOVERNMENT.

Not a Commission

3rd Dec 1889

The applicant was dismissed in 1882 for
an irregularity in criminal procedure, noticed
by the Circuit-Judge; but as that officer subsequently
secretly remarking that the Court did not
intend that he should be dismissed, the
responsible him but in an office of lower
rank. The fact was of opinion that
his conduct was a case of mitigation of the order of
dismissal, that the applicant was for 1889
his previous service.

The applicant's whole service amounts
to 53y. 11m. 29d. His service qualifying him
amounts to 34y. 9m. 29d. He is in
the 1st class of the Pension rules, a monthly
pension of Rs. (27.12.0) having been awarded
thereon, with effect from the 25th Jan
1869 through at present alive.
