Proceedings of the Madras Government, Financial Department, 10*th December* 1870.

No. 25. Read the following Proceedings of Government, Pension Department.

Read the following papers:—

From the Collector of Malabar, dated 21st June 1869.

Report of the Examiner of Claims, dated —— November 1869, No. 1390.

From the Acting Collector of Malabar, dated 23rd February and 14th April 1870, Nos. 18 and 37.

Order, 2*nd August* 1870, *No.* 339.

Kanhiraten Kannu Kurup served in pension grades from 13th April 1831 to 10th June 1848, and then as Karyasten of Chenat Nair's Escheat, having been appointed by Government, but paid from the estate for one year, eleven months, and twenty days. On 1st June 1850 he was made Stamp Goomastah and served on a fixed salary, which was debited to stamp sales, for four years and eighteen days. His subsequent next service in eligible offices, up to 31st October 1869, was fifteen years, one month, and eighteen days, and his whole service to that date, less the ordinary deductions, to thirty-seven years and twelve days.

2. Under the precedents heretofore followed, the applicant's service as Stamp Goomastah should not only be excluded from computation, but constitute a break entailing the forfeiture of his former service.

3. It appears that the Collector, in ignorance of the fact that the break above noticed entailed forfeiture of the previous service, submitted an application for a good-service pension; that he had some difficulty in making arrangements for supplying the applicant's place as Salt Superintendent at Beypore, and, on being informed by the Accountant-General that there was no objection to the retention of the applicant till orders were passed, kept him in office till the 22nd January 1870, when, in pursuance of a memorandum addressed to the Collector on the receipt of the register in the Government office, the applicant was sent for examination and declared unfit for further service; and that, notwithstanding this certificate, the Collector had not been able to relieve the applicant up to the 23rd February.

4. The Government, however, on consideration, are of opinion that as Kannu Kurup, while Stamp Goomastah, drew a fixed salary, his service in that capacity should not be rejected merely on the ground that the salary was debited, under arrangements of account, to a particular item of imperial revenue. Under the circumstances and with reference to G. O., 9th July 1869, No. 208, His Excellency the Governor in Council is pleased to include the period above referred to, and to grant Kannu Kurup a good-service pension of Rupees (30-8-0) thirty and Annas eight per mensem, under Section 7 of the Revised Pension Rules.

5. The Acting Collector, under the circumstances specified in paragraph 3 *supra*, requests sanction for the disbursement of the applicant's pay from the 22nd January till the date of his relief from duty. It appears that, at the date of the Collector's letter, the requisite arrangements were complete. The Government are pleased to accede to the Collector's request, and request the Accountant-General to

make the pension above sanctioned payable from the date on which Kannu Kurup may finally have given over charge.

(True Extract.)

(Signed) H. E. STOKES,
Under Secy. to Govt.

No. 26. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 10th December 1870, No. 500.

I am directed to submit the accompanying copy of the Proceedings of this Government in the Pension Department, dated 2nd August 1870, No. 339, and to request the confirmation of the Government of India to the grant of pension therein made.

2. In paragraph 4 of the Order, the Government admitted, as service for pension, a period of four years and eighteen days, during which the applicant Kannu Kurup was employed as a Stamp Goomastah on a fixed salary paid from Stamp Revenue. The Government, on a reference to the records, have ascertained that the servants of Kannu Kurup's class were not borne on permanently sanctioned establishments, but were entertained at the discretion of the Collectors, provided that not more than a certain per-centage on the Stamp Revenue realized was expended; and that, at the time, they were understood to be ineligible to pension.

3. It will be seen, therefore, that, under a strict interpretation of the rules, the applicant's qualifying service is only fifteen years, one month, and eighteen days, and he must lose his service of eighteen years, three months, and twenty-two days prior to his entertainment as Stamp Goomastah. His whole service thirty-eight years, six months, and eighteen days was continuous; and his service in qualifying grades was thirty-three years, five months, and eight days. It seems, however, a hardship that an old Government servant should forfeit so long a period of service and should draw so reduced a pension as one-third. Under these circumstances, His Excellency in Council recommends that the break in this applicant's service may be overlooked.

Chief Secretary.

Sir,

I have the honor to forward herewith applications for gratuities in behalf of certain individuals who were employed in the Inam Commissioner's Office, and who have been thrown out of employ in consequence of reductions in the establishment.

2. It has been explained to them that the acceptance of gratuity carries with it the forfeiture of all claims to pension or gratuity for previous service, and that previous service can only be admitted to count for pension on the condition of the refund of the gratuity.

3. It is observed that under Government

Order dated 18th August 1869, No 363, Financial Department, service in the Inam Commission counts for pension & therefore for gratuity also.—

Proceedings of the Madras Government, Financial Department,
13th April 1871.

No. 9. Read the following letter from the Under Secretary to the Government of India (Financial Department), to the Chief Secretary to Government, Fort Saint George, dated Fort William, 24th February 1871, No. 1087:—

In acknowledging the receipt, under Acting Under Secretary Mr. Wellesley's Endorsement, No. 28, dated 19th January 1871, of the Statement of pensions sanctioned by the Government of Madras in the Public Department during the quarter ended 30th September 1870, I am directed to observe as follows:—

Entry No. 41.
Pensoin on loss of employment to Comandur Partasaradhi Aiyangar, late 4th Class Deputy Collector in the Inam Commission.

The rule about pension on reduction of establishment is not ordinarily applied to cases of Deputy Collectors or other similar officers who, as they do not belong to particular offices, but form a service capable of employment in a large number of offices, should not be personally affected by the abolition of the office they happen to hold. I am to forward for the information of the Government of Madras, extract (paragraph 1) of a letter (No. 900, dated 17th February 1871) to the Government of Bombay, which refers to a somewhat similar case.

Entry No. 4.
Pension to Chellapulli Prekasa Row, late Sheristadar on the Establishment of the Principal Sudder Ameen's Court at Cuddapah.

The average monthly pay of Chellapulli Prekasa Row being said to be Rupees 68-13-9, the half-pay pension should be Rupees 34-4-0, and not Rupees 34-12-0 as shown in the statement. Probably there is some clerical error either in the amount of average pay or in that of pension.

Entry No. 27.
Pension to Nellore Bolaprasad, late Head Constable in the Madras Town Police Force.

It is presumed that the pension in this case is a charge of the Town Police Superannuation Fund.

Entry No. 64.
Pension to Kanhiraten Kanun Kurup, late Salt Superintendent of Beypore on the Establishment of the Collector of Malabar.

This pension having been sanctioned by the Government of India (*vide* letter of this Department, No. 4176, dated 31st December 1870), should not have been included in the quarterly statement.

Extract from a letter from the Under Secretary to the Government of India in the Financial Department, to the Acting Chief Secretary to the Government of Bombay, dated the 17th February 1871, *No.* 900.

Para. 1.—In acknowledging the receipt of your letter, No. 6, dated 3rd January 1871, I am directed to state with reference to the explanation in paragraph 2 thereof, regarding the grant of pension to Row Bahadoor Venayek Govind Chabul, late 1st Class Subordinate Kulladghee, that the rule for granting pension to servants discharged on revision of establishment does not warrant the granting of a pension to a 1st Class 1st Grade Subordinate Judge merely because the appointment at his station was changed into a 1st Class 3rd Grade Subordinate Judgeship. The rule in question was intended only to make provision for servants of Government when a reduction of establishment rendered it necessary to deprive them of their livelihood. The present case might apparently have been arranged for by making a reduction in the service when opportunity occurred, and thus no pensionary charge would have been entailed on the State.

Ordered that a copy of the above be furnished to the Accountant-General, Madras.

Proceedings of the Madras Government, Financial Department, 13*th April* 1871.

No. 10. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 13th April 1871, No. 140.

I am directed to acknowledge the receipt of Mr. Under Secretary Westland's letter, No. 1087, dated 24th February 1871, remarking on certain items in the statement of pensions granted by this Government in the third quarter of 1870.

2. With reference to the remarks of the Government of India regarding the retirement of Parthasarathy Iyengar, late Deputy Collector in the Inam Commission, I am directed to state that the Deputy Collectors employed under the Commission were appointed, in excess of the general Establishment of Deputy Collectors, for the special service; and consequently Parthasarathy Iyengar necessarily lost his appointment when the Commission was abolished.

3. The pension of Chellapalli Prakasa Row was Rupees 34-12-0. The average pay entered in the statement, Rupees 68-13-9, was that first calculated, when a pension of Rupees 34-4-0 was granted. Subsequently it was reported that the applicant (whose pension was claimable under Section 7 of the Revised Rules) had, by an error, been retained in office and drawn pay for a month after the date shown in the register. This raised his average pay to Rupees 69-12-0 and his pension to Rupees 34-12-0. The average pay entered in the statement is thus a clerical error.

4. The pension of Nellore Balaprasad was chargeable to Imperial revenues under G. I. Resolution, 7th March 1864, No. 1232, and 5th October 1865, No. 2745, as he drew more than Rupees 20 per mensem. The Town Police Superannuation Fund was under Act VIII. of 1867 (Madras) amalgamated with the Mofussil Police Superannuation Fund, and was abolished with it under Act X. of 1869.

5. With reference to the pension of Kunnu Kurup (item No. 64), I am to state that the pension was sanctioned by this Government in August 1870, and payment then commenced; but the grant afterwards appeared to be beyond the competence of this Government (*vide* my letter of the 10th December 1870, No. 500) and the confirmation of the Government of India was sought and obtained.
