2. As requested in No. 32 the period of service entered under Item No. 9, 312 on the 1st & 2nd Pages of the Register has been corrected as pencilled by you.

3. *W. Annajee* (Cavalry) Annajee Row is the proper name of the applicant as ascertained from himself by the Dy. Collector. His designation of *C. Annajee Row* in the annual returns appears to have originated from his having come to this District from Timmerville. There can however be no question as to the applicant being the same person who held from 1851 to 1870 the several appointments named in the pension Register, which together with your return under reply is herewith returned.

Sir,

Fort Saint George

I have the honor to reply as directed on the enclosed petition of Annaji Rao forwarded with your endorsement dated 27th ultimo No 1330.

2. Annaji Rao is 63 years of age, and has been 44 years in the service of Government of which 38 years and 9 months count for pension. He has been a good public servant, but for some time past age and increasing infirmities (the man is in his dotage) have rendered him quite unfit for the duties of a Talukdar. He ought in fact to have been transferred to the pension list several years ago, but as on the present occasion he has invariably petitioned to be allowed to serve for one year more. The Talook of which he had the charge is one of the most important in the District, and I have by local inquiry conducted

conducted in person satisfied myself
that public interests would suffer as
indeed they have already done by al-
lowing him to continue longer in the
service. He became entitled to a
good service pension 6 years ago, but
unless compelled to take it he will
linger on an incubus to the talook
till he dies. Under these circumstances
I trust that his request to be permitted
to remain in the service till January
1872 may not be granted, especially as
the Towns Improvement Act is to be
introduced into Erode in November
next.
