Replies to objections in the application of Sheikh Goodoo
Khumbah Langamah, Adoni Said Madar and Anant
poor Sheikh Bada. dated 13th June 1870.

8. The break of 12 days in the service of Anant-
poor Sheikh Bada is attributable to his having over-
stayed the period of suspension. By that time, it
is therefore entered as leave on forfeiture of full
pay.

9. The degradation of Sheikh Goodoo is attributable
to his taking a post of Rs. 3 1/2 at his own request
in order that he might be transferred to his
native town. As regards Adoni Said Madar his
reduction is attributable to the introduction of the
Honorable C. Pelly's Scheme in that Taluk.

27. These individuals were considered unfit
from age to discharge their duties efficiently
and were consequently removed by me and their
places filled up. They then applied for a com-
pensation allowance under the recent rules of
Government and were directed to appear before
the Garrison Surgeon for Certificates. Their cer-
tificates could not be entered up to the date of the
Medical Certificates as their places being filled

up and others were drawing pay from the time they ceased to do duty. As it was not intended to restore them to their posts.

39. The names of the individuals as given in these Registers are the same as those entered in the salary bills. Those given by them when examined medically are those by which they are familiarly known among themselves. The postfix *khair* means brother and is not therefore the proper designation of the individual. The prefix *Anantapur* is quite a local designation to distinguish him from other individuals having the same name as *Bada-Sair* is a postfix usual among *Mahometans* and forms no part of their name. It is simply a honorary designation used by equals to each other. It could not therefore be entered in the pay abstract where the latter name only occurs.
