Memorandum

The orders of Govt are requested whether those Vaccinators to whom pension is granted in the accompanying draft should refund the gratuities which they drew in 1865, when they were thrown out of employ by reduction of Establishment. At that time vaccinators were not eligible to pension, and gratuities were granted.

On a representation being addressed to the Govt of India, the rule allowing the admission of vaccinators to pension was given retrospective effect, but

As they were then been 4 years without pension, the Government should not be repaid, I think.

It is submitted
that the case is precisely

to compassionate allow-
ance under the resolu-
tion of 11th December 1863,
with effect from that date
only. These men are not
required to refund gratui-
ties which they may have
drawn. The reason seems
to be that the pension-

from the date of order,
which is considerably
later than that of retire-

in

that which occurred in

there is the more reason
for dispensing with the

gratuity had been drawn
by Viraswami, with re-

2. His Excellency in Council is of opinion that it is not necessary that these vaccinators should refund the gratuities they formerly received, which in no case exceeded six months pay. The case is similar to that of peons admitted to compassionate allowance from a fixed date (11th Dec^r 1863) that of the order declaring their eligibility and not from the date of retirement. The pensionary allowance thus commences after a considerable time had elapsed from retirement; and this apparently is the reason of the rule exempting peons from refunding. The interval in the present cases is longer than in most of those treated under the resolution of the 11th Dec^r 1863. Accordingly H.C. in C. directs that the gratuities refunded by some of those applicants in the annexed list be repaid.

and that the others be not required to refund.
