To

Assistant Inspector General of Police
Madras.

Sir,

I have the honor to submit herewith applications for gratuity for the men noted in the margin, and to state that the delay which occurred in submitting rolls for the Constables h₂ 233, 1097 was owing to their not having attended at this Office to enable me to send them to the Collector for verification of their services in the Revenue Department and that they were discharged on the 12th October 1869 instead of on the 9th Idem on which they were examined, the delay having occurred in getting their certificates altered as they were not before drawn in proper form by the Civil Surgeon. h₂ 1097 has since died.

2. These men are not entitled to pension and as the Deputy Inspector General has said that in such cases only qualifying service in Police for gratuity need be entered in roll, the Revenue service has been omitted. Great delay is involved in obtaining L. I have the honor to be
