Esq. Assistant Engineer Krishna District

That I have served the government
in the Public works Department for upwards
of 36 years; that I have obtained testi-
monials from the several officers under
whom I served but all these testimonials
have been lost during the cyclone of
November 1864, when my house was carried
away from its effects.

That I briefly state my length of
service under the various officers I have
served heretofore which is merely authentic-
ated from my memory.

Sir,

Referring to paras 2 and 3 of
letter No. 432. of 14 October 1868. from the
Secretary of State for India to the Govern-
ment of India embodied
in G.O. No. 244 of 27 January 1869. I
have the honor to inform you that an
old Saseer named Brahmed Khan
seeks for a grant of compassionate
allowance, as he has been in Govern-
ment service (as he states) for nearly
37 years and is now unfit for
further service from old age and
defective sight as per inclosed
Medical Certificate -

2. He has no papers (he says
he lost his in the Cyclone of 1864
at Bander) to prove his services,
but he affirmed solemnly before
his Range Officer Mr. Morris

was a departmental Lascar for about the periods specified in the accompanying declaration Under the various Officers named with whom I have known him at different times during the last 21 years.

3. Though the statement may not be rigidly accurate, there appears no doubt that he has served more than 35 years as the names of lascars are not generally entered in the List of Establishment. I am unable to verify his services from Official records - I would therefore recommend his case for the favorable consideration of Government.

4. His pay as a Lascar of Department Public Works, has never, I believe, exceeded 7 Rs per mensem.

5. The delay in forwarding this application was caused in consequence of these papers having been first sent direct to Government through in-
-advertence.
