The humble petition of Shaik Bouned

Department at Trichinopoly

Sheweth that your petitioner served in
the Military Police at Trichinopoly during a
period of twenty years viz from the
year 1840 till the inauguration of the new
proposed Police in 1860. That your Petitioner
with the rest of the Military Police Departt

Police Officer for inspection who rejected
your petition on the score of old age that
your petitioner then applied to Captain
Walker Deputy assistant Commissary General
& Superintendent of Police Trichinopoly at
that time for Pension or Gratuity but was
informed by that officer that neither
could then be applied for on behalf of
those men rejected for the new Police
but that when the first batch of men
belonging to the new Police who

been transferred from the Military Police should be recommended for pension the case of your poor petitioner would be taken in to Consideration, and that then would be the proper time to advance your petitioners Claim that time has now arrived several of your petitioners fellow Jams, who were transferred to the new Police in 1860 have now been recommended for pension on the ground of length of Service. This is to Certify that in the old Police record of Richmond the name of Police Pen Kirk Named appears for the first time in a recommendation Roll of 3rd January 1846 for promotion to a higher rate of pay. that the date of his first enlistment appears to have been lost with that of several others but that he himself affirms that he was enlisted four Months after from which time his name appears in the records as entertained on 22d July 1846 that he bears a character from Colonel Donovan 26th Decr 1846 in which that officer states that he has been his orderly Peon during his command. and another Character of 20th Decr 1848 from Capt. Gosling then Commg officer in which that officer, who took charge of this office in March 1843 states that Penkirk Name has Conducted himself to his satisfaction during his term of office. It is therefore evident that he was in employ as Police Peon before 1846 and there is no reason to doubt his assertion that he was employed in the latter part of 1840.
