I, Robert Frederick Stephenson Acting
Lillah Surgeon of Guntoor, do here by certify
that I have carefully examined do Khyman
Shan Revenue Peon of Palnand Taluq
Kistna District, that his age is, by his own
statement 58 years, and by appearance
about 60 years, and that I find him to
be unfit for further service; from old age
and infirmity, and impaired vision of
both eyes from incipient Cataract; not,
in my opinion, attributable to intempe-
rance or other irregular habits.

Handwritten musical notation on a page from a manuscript. The notation consists of several staves, each with a series of notes and rests. The notes are written in a cursive script, and the rests are indicated by horizontal lines. The page is numbered "2" in the top left corner. The notation is organized into measures, with some measures containing multiple notes and others containing rests. The overall style is characteristic of early printed music notation.

The services of the withinmentioned individual having been verified partly from the records of the collector's office and partly from affidavits he will be eligible to the amount of gratuity set opposite to his name in column 11 of the register under the old rule for his service of years 23-4 & commencing with his employment as quarantant. I should have been pleased to accept the affidavit and the explanation given at foot of the register, with reference to the delay in submission of application.

The applicant's service from 1833 to 21st August 1845 has been excluded from calculation as he was dismissed the service for irregularities committed by him in a Magisterial case. Vide Column 7 of the register.
