Ans'd

I have the honor to forward
under the provisions of the rules
contained in para. 767 of the un-
covenanted servants Vademecum
an application for gratuity from
Tripaloor Arumachellum Pillay
late D^y Gannastak of the Piarum
Mangaloo's Court. In the
beginning of 1867 this individual
obtained leave for one year on
medical certificate on the
ground that his sight was
impaired, which leave was
extended to a further period of
two years. This leave expired
on the 28th February 1870 but
as he was still labouring
under a total loss of vision
as stated in his application,

DLK

he seems to have been prevented from appearing in Court and preferring his application immediately. Under the peculiar circumstances of his case, I consider that the fact of his omission to prefer his application earlier cannot in justice be ~~per-~~mitted to prejudice his claim for gratuity. Excluding the period of his absence on leave the actual period of his service amounts on the whole to 20 years, 3 months, and 8 days, and it has been ~~un-~~dered partly in eligible and partly in ineligible grades. During the whole period of his service, ~~and during the whole of his service, he has been~~

~~and during the whole of his service, he has been~~ the Applicant appears to have faithfully served Government and his character has been good ~~which is verified by the record of this Court throughout.~~ The Gellatly Surgeon certifies that he is quite unfit to resume his duties in which opinion I fully concur. I recommend that gratuity of Rupees 66-0-0 which is equal to 6 months average pay of the applicant for the last 5 years

may be given him. 3
The prescribed Medical Certificate is also enclosed.

I have the honor to be
Sir,
Yours most obedient servant

I, Robert Edmond Pearce
Gillab Surgeon, Salem, do hereby
certify that, I have carefully examined
Arundachalam Pillay, lately a Gymnastah
in the Establishment of the Parampury
Munsiff's Court; that his age is
by his own statement 45 years, and
by appearance about 50; and that,
I find him to be unfit for further
Service from the total loss of vision
[of both Eyes] which is said to be
of 3 years' duration, not in my
opinion attributable to intemperance
or other irregular habits.
