Sir,

In retransmitting herewith the Register of Application for Pension returned also herewith returned with your Memo. of the 15th September last, I have the honor to state that the omissions &c. pointed out have been duly supplied.

2. No other indelible marks than those noted in the Register are to be found on the person of the applicant. I have, however, added a description of remarkable features sent me by the Collector of North Canara.

3. As to the details of leave on half pay or full stoppage of pay, I beg to state that the whole of the leave entered in the Return appears to have been allowed to the Applicant on deduction of half pay only. A note to this effect was not however made as regards the earlier periods of his leave, as it was considered immaterial so to distinguish it, the fact of whether the leave was on half or full stoppage of pay not in any way affecting the calculation

calculation of the average monthly salary received by the applicant during the last five years of his service and consequently the proposed amount of pension which is based on such calculation.

4. The delay in replying to your reference has arisen from my not having received from the Collector of North Canara, until a very recent date, a correct List of the descriptive marks borne by the applicant which I had sought from that Officer, as the applicant now resides in that District

I have the honor to be,
Sir,
