The Right Honorable the
Governor of Madras.

My Lord.

I most respectfully and humbly beg to bring to your Lordship's notice that I have been a Soldier in the Madras Army since 1848 during the last 25 years, and performed my duty to the satisfaction of my superiors and for the benefit of Government. I was unfortunately attacked about a year ago with an affection of my Eyes which deprived me entirely of my sight, & I was thereupon discharged from my employment. I was ever since suffering with a family consisting of 8 souls for maintenance having had no other means of living except the Government employ. My poor case was brought to your Lordship's notice by the kind-hearted Superintending Engineer of the 1st Division, but I was told that the Rules unmercifully exclude creatures like me from enjoying the liberality of your Government in the shape of pension, and I pray your Lordship will ever more take my helpless condition into your gracious consideration and favor me with some thing else so that your noble name may

I have the honor to forward for submission to the Government the accompanying petition addressed to me by Sepur Bungalow, lately a Lock Lascar at this station.
