Explanation of Column 8 with quotations of orders of reinstatement.					Explanation of any degradation.				
A. Suspended on the first occasion for having failed to claim & obtained payment to himself of a sum of Rs. 3.8 - which was due to different Shroffs on the Taluk, being the value of certain corns sent in other pieces rejected in the Shroffs but which had been lost. This he included under an issue of the Taluk Shroffs, & was paid to him. B. Dismissed on the second occasion for banking with Government money but on appeal ordered by the Board of Revenue to be suspended for six months. (Board's decision of date 10th September 1869 No. 1883.)					None				
Detail of leave on half pay and full stoppage of pay.					Remarks by the head of the Office on past character and conduct of the applicant throughout the service.				
From	To	Yrs.	Ms.	Ds.	My own opinion is that he should have been dismissed without pension. The Revenue Board's opinion was that his "moral obliquity" was sufficiently met by a suspension of six months. It follows that he should not suffer in pension also. He is therefore recommended for full pension.

that they both had dealings with the merchant in question and the transaction was characterized by the Dy. Collector as banking with government money.

3. The Board on reviewing the Dy. Collector's proceedings commuted the punishment of dismissal to suspension for 6 months. Before the expiration of this period the office was abolished, the business of the treasury having been made over to the Branch Bank established at Bangalore. The applicant was, it appears, suspended on 7mo-16 Day on a former occasion for having falsely claimed & obtained payment to himself of a sum of money not due to him but to other parties.
