Rev. 2552/69.

No. 2,552.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 15th April 1869.

Read the following letter from J. A. C. BOSWELL, Esq., Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 17th March 1869, No. 61:—

I HAVE the honor to forward, herewith, a letter from L. Venkatappaya, Acting Deputy Collector in this District, dated 13th February 1869, No. 4, reporting on the inefficiency of the Rajapeta Tahsildar. On receipt of this report the Acting Sub-Collector in charge directed the Tahsildar of Rajapeta to appear before the Zillah Surgeon at Guntoor, with the view of obtaining a certificate and applying for pension, which he at once did.

2. The Zillah Surgeon has given a certificate, stating that P. Lakshme Narayanappa appears about sixty years of age; that he finds him unfit for further service from old age and infirmity and incipient cataract in both eyes. I have myself examined the Tahsildar and consider him quite unfit for any more service, and am of opinion that he ought to have been superannuated some time ago. From the statement of his services it appears that he counts years 25-8-15 out of thirty-four years' service qualifying towards a pension. As I consider it prejudicial to the interests of the public service that he should hold his post for another day I have appointed P. T. Raghava Charlu, Tahsildar of Rapur in the Nellore District, to act for him pending the receipt of the orders of Government on his application for pension. During the time I acted in the Nellore District I was led to form a high opinion of this officer's attainments, character, and efficiency, and I request the Board's sanction to my nominating him to the post of Tahsildar of Rajapeta in succession to P. Lakshme Narayanappa.

3. As to the claim of the latter to pension, the charges brought against him by the late Acting Deputy Collector are of a very serious nature, and it will also be in the recollection of the Board that, in reporting to them certain charges brought againt V. Venkatchellum Puntulu, Deputy Collector, Mr. Comyn, the Sub-Collector in charge, animadverted strongly upon the conduct of this same Tahsildar of Rajapeta in connection with the erection of a temple of his own at Narsarowpeta. Certain charges of extortion, however, brought against the manager of that temple were recently tried by the Head Assistant Magistrate, but dismissed for want of proof.

4. The application for pension will be submitted to Government through the usual channel.

ENCLOSURE No. 1.

From L. VENKATAPPAYA, Acting Deputy Collector, to the Acting Sub-Collector in charge of the Kistna District, dated Vinukonda, 13th February 1869, No. 4.

I HAVE the honor to bring to your notice the general inefficiency of the Tahsildar of Rajapeta Talook, Panganamamula Lakshme Narayanappa.

2. On my arrival in the division I found that many Takeeds and Petitions referred to him for report (some of them as old as six years) were remaining unanswered. I at once called upon him by a Takeed, dated 1st June 1868, to report the cause of this long delay, reminding him of the rules established by Mr. Pelly, which held Tahsildars solely responsible for the due discharge of the work in the Correspondence department. He did not furnish this report till the 22nd August, and without my writing two reminders for it. Even then his explanation for the delay was not satisfactory. I then warned him to be sharp in answering references for the future, without effect. As a rule, I have had to send two or three Takeeds for the same thing before I could get a reply from him.

3. This Tahsildar does not appear to go to work in a straightforward manner, but interferes in matters quite out of his jurisdiction. He issued a distress to eight ryots of Govindapuram, and attached their property for arrears of Curnums' fees for Fuslies 1266 and 1267, calculating the same at a higher rate than usual. He thereby induced these and many other ryots of the village to pay the fees at the same higher rate. The Curnums thus received from 59 ryots a sum of 259 Rupees, or 107 Rupees in excess of the fees (Rupees 152) which they would get according to the usual rate. The ryots preferred a complaint before me, and my inquiry showed that the Tahsildar had not obtained the sanction of any competent authority for issuing the distress for the levy of the fees in

excess of the usual rate. His explanation on this point was as follows:—The Curnums of Govindapuram complained to my predecessor that the ryots would not pay them their fees properly, whereupon Mr. Plunkett directed them to go to the Tahsildar. The Carnums then came and told the Tahsildar that they were so directed, and this was the authority on which he issued the order of distress. The matter was reported to the Acting Collector, and he ordered the money, collected above the usual fees, to be refunded to the ryots.

4. There are in this Talook thirty-eight topes planted according to the rules of 1848, the extent of land occupied by these topes is 112 acres, assessed at Rupees 113. Most of these topes contain but a few trees here and there, (generally one-fourth or less of the fixed number,) and the land is enjoyed by the holders free of assessment. A copy of my Takeed to the Tahsildar, dated 7th November last, (not yet replied to as usual,) pointing out the deficiency of trees in the different individual topes, and calling for his explanation on the subject, is submitted for your perusal. Two points deserve special notice under this head, namely:—

1*st.*—Two and a quarter acres of land, assessed at Rupees 3-0-9, were sanctioned for a tope in the village of Ravipadu, within two miles from Narsarowpeta, (the Tahsildar's station,) in 1848. The number of trees that have been yet planted in it is eighteen, or one-fifth of the fixed number. The Revenue Inspector stated in his remarks that cotton was grown on this land in the last Fusly, (1277,) and that the land was ploughed and prepared for sowing this year. From this it appears that the land has been regularly under cultivation from year to year, and was for the past twenty years enjoyed by the holder as a sort of Inam land. This holder is the Curnum of Narsarowpeta, named Utloor Ramaya, and he lives in Narsarowpeta, and is seen by the Tahsildar at least once every day, and yet no notice appears to have been taken of this by the Tahsildar, although he has got to report upon the progress of these topes once every six months.

2*nd.*—A piece of land extending to four acres, situated in the immediate vicinity of the Kondavid village, was applied for by Konda Ramaya (the father of the Tahsildar's wife) for cultivation. This application was made to my predecessor Mr. Plunkett direct, and was referred by him to the Tahsildar for report. The Tahsildar then took a statement from the applicant to the effect that he would plant a charitable tope in the above land, if it was given him free of assessment. He accordingly recommended and obtained sanction. The land was enclosed by the applicant, and it has been in his possession since November 1867 and no attempt was made to plant any trees in it up to the 16th January 1869, on which date I visited the place on my way from Bunder to Vinukonda. This so-called tope was omitted altogether from the Half-yearly Report for the first half of 1868, which was only received by me in October last. I only learnt of this tope by accidentally seeing the enclosure one morning during my stay at Kondavid, or I should have known nothing about it. The assessment on this land is not known, but I think it could not be less than 5 Rupees.

5. Mr. Plunkett had once reported on this officer for his neglectful conduct, whereupon the late Acting Collector, Mr. Wilson, issued a Takeed* to the Tahsildar, warning him that if he continued in the same negligent manner his suspension would be recommended to the Board.

* *Vide* Collector's letter, No. 53 of 1868, dated 11th May, to Mr. Plunkett.

6. I, therefore, beg that your honor will be good enough to consider the above circumstances, and take such steps on this subject as you may think proper.

Kistna District
Deputy Collector's Office
Tenukonda 63
13th February 1869.

From
L. Venkatappaya
Acting Deputy Collector.

To
The Acting Sub Collector in charge of the
Kistna District

I have the honor to bring to your notice the general inefficiency of the Tahsildar of Rajapeta Taluk, Panganamamula Lakshmi Narayanappa.

2. On my arrival in the division I found that many Takeeds and Petitions referred to him for report (some of them as old as six years) were remaining unanswered. I at once called upon him by a Takeed dated 12th June 1868 to report the cause of this long delay, reminding him of the rules established by Mr. Pelly which hold Tahsildars solely responsible for the due discharge of the work in the Correspondence department. He did not furnish this report till the 22nd August and without my writing two reminders for it. Even then his explanation for the delay was not satisfactory. I then warned him to be sharp in answering references for the future, without effect. As a rule, I have had to send two or three Takeeds for the same thing before I could get a reply from him.

3. This Tahsildar does not appear to go to work in a straightforward manner, but interferes in matters quite out of his jurisdiction. He issued

Amur Confirmed

issued a distress to eight ryots of Govindapuram, and attached their property for arrears of Curnums fees for Faslies 1266 and 1267, calculating the same at a higher rate than usual. He thereby induced these and many other ryots of the Village to pay the fees at the same higher rate. The Curnum thus received from 59 ryots a sum of 259 Rupees, or 107 Rupees in excess of the fees (152 Rupees) which they would get according to the usual rate. The ryots preferred a Complaint before me, and my enquiry showed that the Jahsildar had not obtained the sanction of any Competent Authority for issuing the distress for the levy of the fees in excess of the usual rate. His explanation on this point was as follows:- The Curnum of Govindapuram Complained to my predecessor that the ryots would not pay them their fees properly, whereupon Mr. Plunkett directed them to go to the Jahsildar. The Curnum then came and told the Jahsildar that they were so directed, and this was the authority on which he issued the order of distress. The matter was reported to the Acting Collector, and he ordered the money Collected above the usual fees to be refunded to the ryots.

4th. There are on this Talook thirty eight topes planted according to the rules of 1848 the extent of land occupied by these topes is 172 acres, assessed at Rupees 113. Most of these topes Contain but a few trees here and there (generally one fourth or less of the fixed number) and the land is enjoyed by the holders free of assessment. A Copy of my Jaheed to the Jahsildar

Jahsildar, dated 7th November last, (not yet replied to as usual) pointing out the deficiency of trees in the different individual topes, and calling for his explanation on the subject, is submitted for your perusal. Two points deserve special notice under this head namely:-

1st. Two and a quarter acres of land assessed at Rupees 3-0-0 were sanctioned for a tope in the Village of Ravipadu, within two miles from Narsarowpeta (the Jahsildar's Station) in 1848. The number of trees that have been yet planted in it is eighteen, or one fifth of the fixed number. The Peon sent for the Jahsildar's orders remarks that Cotton was grown on this land in the last Fasly (1277) and that the land was ploughed and prepared for sowing this year. From this it appears that the land has been regularly cultivated from year to year, and was for the last twenty years enjoyed by the holder as a sort of Inam land. This holder is the Curnum of Narsarowpeta named Uttoor Ramaya, and he lives in Narsarowpeta, and is seen by the Jahsildar at least once every day, and yet no notice appears to have been taken of this by the Jahsildar, although he has got to report upon the progress of these topes once every six months.

2nd. A piece of land extending to four acres, situated in the immediate vicinity of the Kondavid Village, was applied for by Konda Ramaya (the father of the Jahsildar's wife) for Cultivation. This application was made to my predecessor Mr. Plunkett direct, and was referred by him to the Jahsildar for report. The

Jahsildar.

Jaheildar then took a statement from the applicant to the effect that he would plant a charitable tope in the above land, if it was given him free of assessment. He accordingly recommended and obtained sanction. The land was enclosed by the applicant, and it has been in his possession since November 1867 and no attempt was made to plant any trees in it up to the 16th January 1869 on which date I visited the place on my way from Bunder to Venkonda. This so called tope was omitted altogether from the Half yearly Report for the first half of 1868, which was only received by me in October last. I only learnt of this tope by accidentally seeing the enclosure one morning during my stay at Kondavid or I should have known nothing about it. The assessment on this land is not known, but I think it could not be less than 5 Rupees.

5. Mr Blenkett had once reported on this Officer for his neglectful conduct, whereupon the late Acting Collector, Mr. Wilson, issued a Jaheed to the Jaheildar, warning him that if he continued in the same negligent manner his suspension would be recommended to the Board.

6. I therefore, beg that your honor will be good enough to consider the above circumstances, and take such steps on this subject as you may think proper.

I have the honor to be,
Sir,
Your Most Obedient Servant,

Sir,

In reply to your Memo dated 21st August, I have the honor to submit the following explanation.

32. Item No 2 in the 2d side of the Register should be 23d June 1843 not "January" as erroneously entered by a clerical mistake. There is therefore no error in the applicant's services.

39. The alterations suggested in No 39 have been made.

40. The particulars in the Register were entered from the information available from the Applicant's Service Register* the original order in his possession. The detailed lists of Establishment of 1864 of the late Guntur District are not in existence. The Roy of 1864 Abstract of the Nizampatam Salt Kolar which were called up to the Huzur when it was abolished were lost in the Cyclone of 1864 with the other records. Consequently I regret that the date and month up to which the applicant drew Rs 10 while he held the post of Mudulgar in Perali Kolar cannot be stated.

Kistna District Collector's Kacheri
Masulipatam 20th July 1869.

From J. A. C. Boswell Esq
Officiating Collector Kistna Dist

To The Examiner of Claims in the
Accountant General's Office
Fort St. George

Sir,

With reference to your letter dated — July, I have the honor to submit any explanation regarding the pension application of P. Lakshminarayanapah late Tahsildar of Rajahpetta.

No 27. The applicant informed the Collector by an Arji dated 23d July 1869, when he was doing duty, that he was sick and that as soon as he recovers, he would proceed to the Medical Officer at Guntoor and obtain his certificate if he were favored with a letter to the Civil Surgeon to examine him.

23 July

2 March 1869

The applicant was directed in reply to proceed at once to Guntoor and obtain the Medical Certificate from the Civil Surgeon as he had already been written to on the subject.

Consequently

Consequently the applicant went from
Navanarpetta the Talug station to Gunlon
and obtained the Certificate on the 12th March 1869.
As he seemed making excuses to delay
presenting himself before the Zillah Surgeon
he was informed that his pay would
cease from 28th February & from this date
I recommend that his pension should
commence.

No 39. With reference to the original
order of the applicants' appointment † not returned
(which accompanied the Register of his
application) Rs 200 from 18th to 31st August
1865, were entered. Now that item is
altered to Rs 175 for August 1865
agreeably to your letter under reply as
it does not appear that he joined the
Paluad Talug before 1st September
No 40 The Pensioner would according
to the rules be entitled to a pension of
Rs 96 per mensem but I would recommend
only Rs 80 as he has been totally in-
efficient for some time past.

I have the honor to be

for Coimbatore District when he was transferred, reported something against your memorialist to Mr. Conyn the 2nd Collector who was then in charge of the District and that your memorialist hearing this, requested the present officiating Collector to take explanation from him, but that in spite of this request, the officiating Collector without calling for any explanation, recommended your memorialist believes to your Excellency that a lower rate of pension may be granted to your memorialist than what he is really entitled to.

4 That your memorialist though not exactly aware of the allegations made against him by the Deputy Collector, professing some rough knowledge of them begs to say something below in answers to the said allegations.

Allegations	answers.
1 That Sahibs issued some 6 years ago remained unanswered and that without the issue of 2 or 3 Sahibs on each subject, answers were not sent ———	The Sahibs whose issue was traced back to 6 years have reference to Fasli cases. These cases require enquiry into and the parties concerned cannot be easily had in attendance. They live at distant places, and in most cases, cannot be found at all for some years. Here it is necessary to show that the memorialist

had the charge of the Taluq for the last three years and a half. The same explanation was submitted to the Deputy Collector's Office. Some of the Sahibs alleged to remain unsatisfied have reference also to some village boundary disputes between Ryots; and that cannot be settled in ordinary time with the more important work of Revenue and Magisterial matters, on the other hand this Taluq contains 80 villages and the Dooly is three Cahs. of which no Deputy Sheristadar and Sub Magistrate but your memorialist is the only person to look after it.

2 That Topes planted according to the rules of 1864 were enjoyed free of rent by Land-holders without planting a fixed number of trees ——— } report upon the condition of the Topes and furnished to higher authorities and in respect of Topes not planted, explanation was given in remark Column in the Statement.

3 That the memorialist for } obtained a Gratuity Sanction for his father-in- } may 94 applied law Khonda Rama Reddy at } to the late for a piece of land for } Deputy Collector planting a Tope and } When date the claim that it was not entered } was for a piece in account ——— } of land for planting a Tope

and in the latter part of the year 1825
Mr. Puckett took charge of the
Palnad Division, he made enquiries
application accordingly. Immediately
after, Ramayah two years arrears
no attempts were made for its improvement
and by the mistake of the Gumastah the
sum was entered in each year by
statement, which the memorialist brought
to the notice of the Deputy Collector by
an Arzi.

4 That your memorialist made
the villages of Gorindapuram
pay the Karnams exceeded
by issuing demands
of the Village of Gorindapuram of
their emoluments, the memorialist issued
notices to certain Ryots and thereupon
the Ryots agreed and paid the fees
yearly due; on this subject the memorialist
furnished a full explanation to the
Deputy Collector.

On the
request of
certain
Karnams

In conclusion he requests
that his case will be taken into proper
consideration also on
the following grounds.

Your memorialist is unable to

give a detail enumeration of dates of the
Orders above referred to as he is not employ-
5 the testimonials possessed by the memorialist
were forwarded & he believes to your excellency
Besides these he humbly requests to enclose
Copies of extracts given by Mr. Thorn and
Thornhill and a statement from Hasle
1264 to 1272 showing the increase of the
Double in his Saligs From these and
Services statement your excellency may
be pleased to conclude that he was promoted
up to 200 Rs. Tahsildar, and that he had
uninterrupted service, and even in the
amalgamation Mr. Thornhill was pleased
to appoint him as Tahsildar of Erroor
Taluq on a salary of Rs. 175 while many
were reduced in that arrangement, and
Consequently confirmed him in the said
post having been satisfied with his conduct
and afterwards transferred to Palnad
Taluq on a salary of Rs. 200 Tahsildar
& Again in Conclusion he prays that
his case will be taken into kind Consider-
-ation and may be referred if necessary
for the opinion of Mr. Thornhill who has
been long in the District & Venkatachaya

Acting Deputy Collector was not on good terms with your Memorialist owing to the latter not according to the wishes of the former in the matter of a request at the Guntur Fasli Zamabundy for a remission of Rents the Deputy Collector reported against him -

Fort Saint George.

Sir,

With reference to your endorsement on Petition No 1502 of 1869 presented by Panganamamula Lakshmee Narayanappa late Tahsildar of Narsarowpett Taluq. I have the honor to inform you that the late Acting Deputy Collector V. Venkatappaya reported to the late Acting Collector in charge on the inefficiency of the Petitioner under the various reasons set forth in the accompanying copy of his letter dated 13th February 1869 No 4. — Mr. Compyn while at Narsarowpett in January 1869 for the settlement of that Taluq for Fasli 1279, inspected the temple erected by the Petitioner and in his report to Board upon the charges brought against the Deputy Collector V. Venkatachellum Pantulu, strongly animadverted upon the conduct of the Petitioner in connection with that temple. Under these circumstances Mr Compyn ordered the Petitioner to retire from the service at once, and to apply for pension, which the petitioner accordingly did.

2. The Civil Surgeon at Guntur certified that the petitioner

petitioner was unfit for further service from old age infirmity and cataract in both eyes. I also examined him and formed the same opinion.

3. As it did not appear from what the Deputy Collector reported that the petitioner had properly discharged the duties entrusted to him, I considered it proper to recommend him for a reduced pension of 80 Rupees a month, and I accordingly submitted through the Accountant General a petition of application for pension on his behalf which I presume must have been forwarded to Government by this time.

I have the honor to be,

From the Off.g Collector of Kistna District — 31st Ditto No. 49.
Ditto — No. 58.
Order thereon 7th February 1870.

Pangamannula
Lakshmanayanapah
late Jaholdar of the
Rajapett Taluk in the
Kistna District has
served for 34 years, but
after deduction of service
rendered before 22 years of
age and in ineligible grades
his net service for pension
amounts to 25 years, 8 months
and 3 days. He has been
declared unfit for further
service from old age and
infirmity

incipient cataract in both eyes.

2. The medical certificate is dated the 12th March 1869 while the applicant retired on the 27th Feby: and the delay is explained by the applicants alleged illness and unwillingness to retire, as well as the necessity of travelling to Dindoor for medical examination. The delay does not appear to be such as would render necessary a reference of the case to the Govt of India.

3. The maximum pension which can be granted to Lakshminarayanapuk is Rs. 96-4-0 per mensem but the Collector has recommended that a reduced pension of Rupees 80 per mensem should be granted.

4. The grounds of his recommendation are that the applicant was grossly inefficient and neglected his duty, in consequence of which the correspondence of his office fell into arrears and confusion, and a number of grantees of land under the late rules were permitted to enjoy a free of assessment for years without fulfilling the conditions of their grants. A suspicion of fraudulent connivance arises in regard to one of these cases in which the grantee was the applicants father-in-law. The applicant has been reported for neglect by

Rs 80

Messrs Plunkett and Venkatappaya, Deputy Collectors under whose orders he was placed.

5. There is, however, a graver charge against the applicant in consequence of which he was required to take his pension. During Mr. Conyns preliminary enquiry into the charges against the Deputy Collector Venkatachellum, it was elicited that the applicant had built a temple at Narasaraopeta, the site for which though gramanattam he admitted that he had appropriated without leave and without reporting the matter; and as he was unable to account for what the temple had cost him there appears reason to suspect though no positive proof exists, that the erection was effected by improper means.

6. Under these circumstances, the Governor in Council resolves to admit the applicant to a reduced pension of Rupees 70 (60) sixty per mensem, under clause III Section II of the Revised Rules, with effect from the 28th Feby/69.

7. Ordered, with reference to Lakshminarayanappa's petition No. 1502 of 1869, that copy of this Order be furnished to him.

I would say "Sick absenting" applicant's pension under Rs 60 per mensem. The man appears to have been a retrenched Peon, but has been employed for several years. This information the Collector requires on the face of the Order
