Proceedings of the Madras Government, Financial Department, 4th August 1870.

Read again Proceedings of Government in the Pension Department, dated 15th November 1869, No. 401.

No. 6. Read also the following letter from C. TERUVENKATA CHARI, late Clerk in the Master Attendant's Office, Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 28th April 1870:—

I beg most respectfully to forward the accompanying petition, in triplicate, to the address of the Secretary of State for India, and humbly solicit that the same, after being laid before the Governor in Council, may be transmitted to the Home authorities with their favourable recommendation, with a view that his hard case may be reconsidered, and the pension formerly sanctioned may be again extended to him.

To THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA IN COUNCIL,
London.

The humble petition of COLLATHOOR TERUVENKATA CHARI, late Clerk in the Master Attendant's Office, Madras.

MOST RESPECTFULLY SHOWETH,

That the Madras Government, in their Order, No. 42, dated the 29th January 1869, after a careful review of petitioner's services extending over a period of twenty-seven years, and putting the most liberal construction on his case, were pleased to sanction the grant of a pension of Rupees 10 per mensem, being equal to a moiety of his salary for the five years preceding his retirement. That he continued to receive this sum for fourteen months from October 1868 to November 1869. That by a subsequent Order, No. 401, of 15th November 1869, Government directed that their former orders be cancelled, and in lieu of the pension a gratuity equal to eleven months' pay be granted, ordering at the same time that the fourteen months' pension drawn by petitioner be refunded.

2. That petitioner was entertained as a Clerk in the late Boat Pay Office in February 1837, where he served until September 1842, the date of its abolition—a period of little more than five-and-a-half years. That he drew salary at the rate of Rupees 7 a-month only for the first eighteen or nineteen months, while for more than three-and-a-half years subsequently he was on the receipt of Rupees 12 a-month, and not as the letter of the Under Secretary to the Government of India remarks that, from February 1837 to August 1842, during the greater part of which he (petitioner) was on the receipt of a pay of Rupees 7 a-month.

3. That, on the abolition of the above department, petitioner was employed in the office of the "Disabled Boatmens' Fund," on a salary of fourteen rupees a-month, from September 1842 to September 1851, a period of nine years, during the whole of which period he gave great satisfaction to his superiors, as may be seen from the annexed copies of testimonials.

4. That by Order of Government, No. 181, dated 13th June 1851, the expenses in connexion with the "Disabled Boatmens' Fund" being required to be reduced, petitioner was brought on the strength of the Master Attendant's Office in the month of October following, where he continued until November 1852, when all on a sudden he was called upon to vacate it for the man who held it previously. That to the best of his recollection he drew the same pay, viz., Rupees 14, in that department that he did in the last; still, according to the letter of the Deputy Master Attendant, No. 966, dated 10th November 1868, only 10 rupees are shown in the records as being the salary drawn by petitioner between October 1851 and November 1852. That from this circumstance, so easy of explanation, the Government of India, Financial Department, have drawn the inference that petitioner's salary, during the whole period between September 1842 and November 1852, must have been only Rupees 10 a-month.

5. That, from November 1852, when his services at the Master Attendant's Office were dispensed with to March 1856, nearly three years and four months, petitioner was unable to obtain Government employ.

6. That, from April 1856 to April 1859, petitioner was employed in the office of the Director of Public Instruction, and on a reduction taking place in that establishment on the latter date his services were again dispensed with for the fourth time within twenty-two years. Very soon afterwards he succeeded in getting an appointment in the Superintendent of Marine Office Packet Line Steam Department, on a salary of Rupees 30 a-month, where he remained until the abolition of that Department in 1861, when he was transferred to the office of the 2nd Assistant Master Attendant on a reduced salary of Rupees 20, where he continued until 1868.

7. That on account of his increasing years and growing infirmities, accelerated in a great measure by the distress of mind to which he was subjected to every time he was thrown out of employment, petitioner was obliged to submit his claims for pension, which were supported by the testimonials of the several officers under whom he served, and verified by the Audit Department. That the Madras Government in their Order, dated 29th January 1869, already alluded to, admitted his claims, and sanctioned in his favour the grant of a pension of Rupees 10 a-month. That, unfortunately for petitioner, this order was cancelled by a subsequent one, dated 15th November 1869, as mentioned in paragraph 1.

8. That, from the circumstances above detailed, it will be seen that petitioner served Government in grades entitling him to pension over twenty-five years; and that his four brothers held responsible appointments under the Madras Government, but all of them dying before enjoying the fruit of their labours after having served between eighteen and twenty years each, they have left upon him the burden of supporting their families, in consideration of which added to the circumstances that he (the petitioner) has a large family to support, and that constitutionally he is suffering from premature decay brought on by his frequent disappointments, he humbly begs that the pension already granted may be continued to him, if from no other motives at least from those of compassion and pity for him in his old age, and his having rendered faithful service to Government.

That your petitioner, as in duty bound, shall ever pray.

Madras, 28*th April* 1870.

(Signed) C. TERUVENKATA CHARI.

No. 7. ORDER THEREON, 4th August 1870, No. 330-A.

The memorial submitted by C. Teruvenkata Chari will be forwarded to the Secretary of State for India, through the Financial Department of the Government of India.

No. 8. To the Secretary to the Government of India, Financial Department, dated Ootacamund, 4th August 1870, No. 330-B.

I am directed to forward, for transmission to the Secretary of State for India, the accompanying memorial from C. Teruvenkata Chari, formerly a Clerk in the Master Attendant's Office. The memorialist was granted a pension of Rupees 10 per mensem by this Government in their Order of the 29th January 1869, but the grant was, as stated by the memorialist, cancelled on the 15th November following on the receipt of the marginally-noted letter from the Government of India. He now prays that the pension may be restored.

27th Sept. 1869, No. 3634.

2. The Government of India viewed as inconclusive, evidence (admittedly imperfect) on which the Madras Government considered the memorialist's eligibility to pension proved; and I am instructed to refer the Government of India to the letter above cited, and to the marginally-noted orders of this Government on the case, copies of which are herewith forwarded.
