A medical certificate was then required which was filed on the 15th August 1869. When the Register was prepared, information was received that he held the last appointment as Acting Sea Custom & Salt Superintendent and was not confirmed and this information was since verified from the Records of the Salt Deputy Collectors.

No. 61

Report of the Accountant General

The services of the withinmentioned individuals having been verified from the records of the Collector's Office (and in the case of No. 8 in part from the records of this Office) they will be eligible to the amount of gratuity set opposite to their respective names in Column 11 of the register under the old rules, should Government be pleased to accept the explanation given by the Collector in each case regarding the delay in submission of application until 22nd Ultimo, altho they were thrown out of employment in 1860/61.

It will be seen that the Medical Certificate in the case of No. 7 (Peon Vencatanarusu) was produced nearly 2 years after the applicant ceased to do duty and that the Collector offers no explanation of cause of delay.

It appears from the Statement of Service of No. 8 (Mozum Gumasta M. Ramaya) that he served only for years 17. 3. 21 and not years 17. 4. 11 as shown in the register. The register of application is not however returned to the Collector for revision in order to save delay as the error appears to have arisen from a clerical mistake in entering 22nd in place of 2nd June 1859.
