Memorandum.

Shaik Bade, son of Shaik Madar.

This individual was reduced from service on 27th September 1869 on account of old age, under the orders of the Sub Collector. The applicant was not then required to produce a medical certificate of his unfitness for further active service. In the month of July 1870, the Sub Collector sent to me the papers connected with this individual's case. I then sent for the applicant, and ordered him to produce a medical certificate, which he did. The papers were examined in this Office and orders issued to the Tahsildar of Guntur Taluk for explanation regarding the breaks & degradations in the service of the applicant. This was received on 13th September 1870. I have directed the Sub Collector not to reduce any servant from service without the production of a medical certificate. The delay of 10 months in the Sub Collector's Office was due to references to the several Taluks in which the applicant served, for verification of applicant's services from the records, as all the records of the late Guntur District,
