To

The Tahsildar of the Cuddalore
Taluq 6th February 61

You have stated in your Leave Statement of the 2nd Instant that Sreenivassa Row 4th Clerk in your Taluq should be granted leave for 15 days to proceed to Madras on private affairs and that Sadasiva Pillay Inam Commission Deputy Collector has appointed one Goondoo Row to work under him in his stead but I understand from personal enquiry that the said Sreenivassa Row has left this for Madras in company with Jagannada Naidoo of Trippapoor. Although the Inam Commission Deputy Collector recommended him for leave on Substitute

is Office and that the Acting allowance drawn by the
in Calculating to Pension

substitute still he should
not have left this place
before his request had been
complied with and order
issued by me accordingly.
Further it does not at all
appear proper to send
away on leave a responsible
servant when very many
emergent accounts such as
the Adungal, Jammabund,
Inam enquiry, Income Tax
&c are being speedily prepared
This being the case his having
gone away to Madras without
permission seems to be
highly improper. Instances
of his bad and irregular
conduct have been brought
to my notice on several
occasions ere this. He is
therefore suspended from the
date of his departure until
further orders, and the present
incumbent must be made
to

to do all the duties of that
post without any prejudice
to them. The said Sreenivasa
Row must be sent over to me
immediately on his making
appearence ~~before~~ you -

* that he was physically incapable of doing his work properly and he states also that there is nothing in his Register against the applicant. Considering the applicant's long service extending over a period of 27 Years and that he has never been considered an inefficient Servant except in the instance now commented on by the Sub Collector and considering also that it is excusable on the ground of physical incapacity as stated by the Sub Collector, the Collector is not prepared to support the Sub Collector's recommendation of reducing the pension and he accordingly recommends that the applicant be granted a pension of Rupees (7) Seven being a moiety of the average Salary drawn by him during the last 5 Years.

The slight delay of one month in the submission of this application was unavoidable as reference had to be made to the Sub Collector for information and for the Copy of his order alluded to.

On Half Pay					With the exception of the single instance above noticed the applicant's conduct seems to have been good as there is nothing in records against him. The Sub Collector states that he sent the applicant to survey a Village, that he took 4 months in doing it and then sent a partial report, that he was then transferred to Tittagoody as a punishment, and that he immediately applied for pension. In consideration of this circumstance the Sub Collector recommends the applicant for a pension of 4 Rupees a month instead of Rupees 7 to which he is entitled under the rules. A Copy of the Sub Collector's order transferring the applicant to Tittagoody is herewith sent. The Sub Collector however adds that an excuse can be made for the applicant on the ground
