Proceedings of the Madras Government, Revenue Department, *16th August* 1870.

No. 279. Read the following Endorsement of the Accountant-General, Madras, dated Fort Saint George, 8th July 1870, No. 107 :—

Read the following Proceedings of the Board of Revenue, dated 27th June 1870, No. 4,438 :—

Read the following letter from the Officiating Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 3rd June 1870, No. 704.

In forwarding the accompanying extract from the Objection Statement of the Deputy-Accountant-General, dated 18th May 1870, I have the honour to state that on receipt of the Board's Proceedings, recorded in Government Order, No. 301, dated 1st March last, directing that B. Kistna Row, the Store-keeper of this office, should be made to retire on pension, the late Acting Collector Mr. Thomas removed him from his post; but on ascertaining subsequently that the period of his service in the pension grades did not quite amount to thirty years, my predecessor directed him to appear before the Zillah Surgeon, with the view of obtaining a Medical Certificate.

2. The Medical Officer, however, having certified that he was physically fit for further service, he was restored to his post, which, in the interim, was held by an incumbent who was allowed full salary at the reduced rate of Rupees 70 per mensem.

3. On his restoration to office pay was disbursed to Kistna Row for the interval he was without employ* at the rate of pension to which he would have been entitled had he been eligible. It was not thought necessary to apply to Government for sanction, as the payment of Rupees 59-5-3 did not involve any additional charge above the sanctioned scale, which is Rupees [illegible]25.

*From 16th February to 20th March.

4. The Deputy-Accountant-General now objects to pas[illegible] without special authority from Government, and has accordingly disallowed the charge.

5. Kistna Row is now really worn out, and although he is reported to be physically fit, yet he is practically useless for further service. Under the circumstances, and in consideration of his long and approved service and former good character, I beg to request that the Board will be pleased to obtain the sanction of Government to the above charge, and at the same time to recommend the admission of B. Kistna Row, as a special case, to the higher rate of pension without a Medical Certificate and without reference to the time (viz., four months and seven days) required to complete his service of thirty years.

Kistna Row is not entitled to any allowance without the special orders of Government from 16th February to 20th March 1870, that being the period during which he is stated to have been unemployed and when S. Balakristappa was in charge of the duties and drawing the full salary of Rupees 70; Rupees 59-5-3 to be recovered from the next pay bill; Annas 14, tax due on the above sum, should be refunded to him by less deduction of tax due on the next pay bill. * * *

Officiating Collector.

SUBMITTED for the orders of Government through the Accountant-General.

2. In his letter, dated the 6th November 1869, No. 1,439, the Collector of South Canara asked the Board to decide whether the Treasurer should continue to draw Rupees125 as Cash-keeper, (the treasury at Mangalore having been transferred to the Bank of Madras,) or be reduced to Rupees 70, which was to be the salary of future incumbents, or retire on the half pension to which he was already entitled.

3. The Board directed in their Proceedings of the 18th January 1870, No. 338, that he should retire on pension, but should draw the full pay of Rupees 125 till the date of retirement.

4. On receipt of this Order the Collector relieved B. Kistna Row from his duties on the 16th February, but when it was discovered that his thirty years' service was not complete, and that the Civil Surgeon did not consider him physically unfit for duty, he was restored to office on the 20th March.

5. In the meantime a substitute on the reduced pay of Rupees 70 had been in charge.

6. The Board request Government to sanction payment to Kistna Row of an allowance for the time he was out of office equal to the pension which he would have drawn if, as was supposed, his service had qualified him for pension. The total amount, Rupees 59-5-9, for thirty-three days, *plus* the pay given to the substitute for the same time, is less than the amount available at the old and sanctioned rate of Rupees 125 a-month.

7. The Collector recommends that, as a special case, B. Kistna Row should be allowed to retire on half pension, although he has served four months less than thirty years. The Board are not prepared to support this application, which they believe could not be granted without reference to the Government of India. The case is not one for exceptional indulgence. B. Kistna Row has only lately been suspended for six months.

8. If the Collector can get the work done by him he should be retained in office on the reduced pay of Rupees 70 till his thirty years' service is complete.

SUBMITTED for the orders of Government, with the remark that there does not seem any ground for granting the pay referred to, the Clerk having been actually unemployed during the period in question, and another man having performed the duties of his post.

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

Belgi Krishna Rau has served faithfully & well for many years, & were it not that he has lately violated the rules of the Treasury (for which he was punished) would have borne an unblemished character. He distinguished himself at Sircy in North Canara in January 1833 & was thanked for his conduct on that occasion in accordance with a letter from Govt. to the Magte. of Canara dated 15th March 1833 No. 2, Secret Department. Under these circumstances, I beg to recommend, that he should be allowed the full pension to which he is entitled.

he had dealings, though the rules prohibited such encashment. The Board, on appeal, changed the dismissal into suspension for six months. The circumstances connected with these transactions were held by Govt to be such as to render impossible the grant of full pension to the Shroff Cheradappa Naick who, however, was merely an accomplice of the present applicant.

3 Krishna Row was restored to Office in Novr 1869 but in February 1870 was ordered by the Board to retire, and was removed from his post: but on its being discovered that his qualifying service was less than 30 years & that the Zillah Surgeon refused to grant him

him a medical certificate, he was restored after one month & five days. The Examiner of Claims thinks that this break will necessitate a reference to the Govt. of India; but there is no such necessity as it is unquestionable that the applicant retained his lien on his appointment, & was even granted an allowance by Govt. for the period in question

4 Though Krishna Rau appears to have been more culpable in the transaction above referred to than Cherdappa Naick the Shroff - he has served much longer: and his pension will not be reduced to quite the same extent. The Govt. resolve to grant him a pension of

of Rs (50) fifty per mensem
