*Proceedings of the Madras Government, Pension Department,
6th December 1872.*

Read again Proceedings of Government, Pension Department, dated 23rd May 1866, No. 195, and 19th December 1870, No. 716.

Read also petition from A. SANTAPPA, late Sheristadar of Upinangadi Taluq, South Canara District.

ORDER THEREON, 6th December 1872, No. 826.

In the petition above recorded, Santappa, late Sheristadar of Upinangadi Taluq, South Canara, prays that he may be permitted to refund the gratuity, Rupees 720, sanctioned under date 19th December 1871, and that a pension equal to a moiety of his salary may be granted in lieu thereof.

2. The details of petitioner's service are set forth in the margin. His total

2. In eligible grades	18	9	26	seven months, and seven days, but the

service was thus reduced to twelve years and four months, for which a gratuity of twelve months' pay was granted.

3. The petitioner now urges that, at the time he accepted the post of Stamp Vendor, his qualifying service in eligible grades amounted to nineteen years; that he would not have accepted the post had he been aware that such acceptance entailed forfeiture of past service; that, as the fees were paid from the treasury at the close of each month in the same manner as the salaries of Government servants on the permanent establishment, there was nothing to lead him to suppose that he was not on the same footing as the latter; and that to give retrospective effect to a rule which imposes a penalty to which he was not liable at the time is inequitable.

4. On a reconsideration of all the circumstances of petitioner's case, the Government are of opinion that there is some force in his representations. Employés in the Stamp Department, although paid from the revenue realized by stamp sales, drew a fixed salary; they were not borne on a permanently-sanctioned establishment, and it was probably understood at the time that service in the Stamp Department would not qualify for pension; but the fact that petitioner and others accepted the post of Stamp Vendor after considerable periods of service on the permanent establishment raises a presumption that they were not alive to the fact that forfeiture of past service was entailed thereby.

5. Further, it does not appear from the records that any express intimation that the penalty in question attached to acceptance of service in the Stamp Department was at any time given. The petitioner held the post of Stamp Vendor from the 4th August 1851 to 30th June 1857, and both the Pension Rules of 1835

and those of 1851 are silent on the point. The date on which the rule at present in force and contained in Section 44 (f) of the Pension Code was first promulgated cannot be ascertained. The first of the two Resolutions quoted in the margin of the Draft Code as the basis of the provisions of that section, viz., Financial Department, No. 1469, 12th March 1869, is rather favourable to the petitioners than otherwise, and the second, viz., Financial Department, No. 2280, 28th July 1869, is not to be found among the records.

6. It appears, therefore, to the Government equitable that petitioner should be permitted to reckon towards pension his qualifying service prior to the date of his transfer to the temporary establishment, in which case his total qualifying service amounts to thirty-one years, one month, and twenty-six days. The same course was followed in the only two cases of a similar nature which have come before Government, viz., that of Venkatramanaya, and that of Kamu Kurup. The history of the former is set forth in a letter to the Government of India under date 18th June 1866, No. 232, and that of the latter in a communication, dated 10th December 1870, No. 500. In both cases the pensions applied for were sanctioned.

7. The Governor in Council accordingly resolves to submit Santappa's case for the favourable consideration of the Government of India, with the view to sanction being accorded to the grant of a pension of Rupees 29-2-0, equal to a moiety of the average salary drawn during the last five years of his service, on the refund of the gratuity, Rupees 720, already paid.

Sir,

I have the honor to submit for the favorable consideration and orders of Government, an application for a Superannuation Pension on behalf of Amladi Santappa, Sheristadar of the Appinangadi Taluk in this District.

2. The Applicant is the person for whom the grant of a Pension was recommended but was declined by Govt. in their Proceedings of the 23rd August 1866, No. 195, P. Dept., in consequence of a break in his service caused by his holding, for a period of about five years, the post of Stamp Gumasta which was remunerated by a commission on sales instead of by a fixed salary.

3. The Government having in the above order declared that the applicant was only entitled to a gratuity for his service of eight years subsequent to his employment as a Gumasta in the Stamp Department (provided he obtained a Medical certificate), he was ordered to appear before the Zillah Surgeon who however certified to his physical fitness for his duties. He was in consequence restored to his post of Taluk Sheristadar.

ORDER OF GOVERNMENT.

20 May 73
21 May 73

He has since served for four years more,
and is now so far advanced in years (63)
that he is no longer equal to the performance
of his duties, and has consequently
applied for Pension.

4. I find from their Proceedings of
the 1st June 1866, No. 204, P.D. that the Government
were pleased to overlook a break from
the same cause in the service of one Ven.
Katramanaiya, the late Sheristadar of the
Udipi Taluk, & sanctioned a Pension in con-
sideration of his long service & good character,
& because the break was ^{not} the result of
reduction.

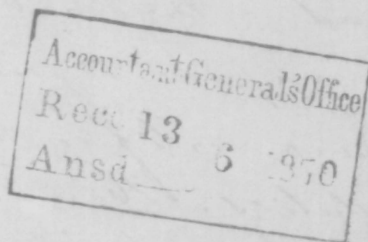

5. Santappa's appointment as Stamp Gumastra
was also not the result of reduction; as he
is a man of very long service, and is now
thoroughly worn out, I trust that the Government
will be pleased to allow him a pension.
Although he has not owing to his bad temper
& quarrelsome disposition, given such universal
satisfaction to his superiors as Venkatasana-
mayya, nothing more specific against his
character is on record. They recommend therefore
that he be allowed a pension calculated
at $\frac{1}{3}$ of his average salary for the last
five years.

REPORT of The EXAMINER of CLAIMS.

In submitting the accompanying letter from the Collector of South Canara dated 7th June 1870 No 719 with its enclosures for the consideration of Government, the undersigned has the honor to state that the case of A. Santappa was reported upon 7th May 1866, and the Government in their Proceedings of the 23rd May 1866 No 195 Pension Department, sanctioned a gratuity of Rs 480 upon production of requisite medical certificate for his service of years 8-7 viz from 1st July 1867 to 31st January 1866.

The undersigned has further the honor to report that the applicant appears from the Bills on record in this Office to have drawn an allowance of Rupees 115 under the order of Government dated 1st May 1868 No 1194 Revenue Department at the rate of Rupees 23 per mensem for the period of 5 months viz from February to June 1866, during which he was unemployed after he had been recommended for pension. He was subsequently employed for July and August 1866 as acting Sheristadar of Udipi Taluk upon a salary of Rupees 60 and from September 1866 to February 1867 upon full salary of Rs 60, and confirmed in the said post on the 1st March 1870. 1. I have the honor to submit
the report required on Board Petition
No. 2912 of 1867, addressed by A. Santappa,
the present Talook Sheristadar of Udipi.

2. Petitioner has stated his case
correctly, except as to his being "a devoted
and humble servant of Government." &
Messrs G. Morris & A. McE. Webster
have left on record that he is a quar-
relsome old man, of not a good character.
I too, have observed his obstinateness to
his superior, the Tahsildar. Mr. Cadell
it seems, was also of the same opinion
but willing charitably to impute

of age, recommended him, though un-
willing, for pension and relieved him of

Served for about 5 years as a Stamp
Gamasbook on Commission, & this
period the Government, in reviewing
his application, considered to be a
break in petitioner's service, which
entirely invalidated his claim for
pension; and as his service subse-
quent to the above break amounted
to only eight years, they declared that
petitioner was only entitled, under
the Pension Rules, to a gratuity of
eight months' salary, for disbursing
which they required the submission
of a medical certificate.

4. The Hillah Surgeon,
before whom the petitioner was
thereupon directed to appear, did
not agree, and would not grant the
required certificate. In my humble
opinion the medical man was not
in such a good position to judge
as the Collector. He might be a
better judge as to how petitioner's
age had affected his digestive organs
and physical powers, but scarcely
how it had soured his temper, and
induced the acerbities of old age in
the conduct of daily duties.

5. Petitioner was, however, im-
mediately restored to the public
service, but Mr. Cadell appears
to have thought it undesirable,
for several reasons, to re-employ
him in a station where he had
given no satisfaction, & where
the

the work was too heavy for him,
and, in the absence of a suitable
vacancy, appointed him to act
as Sheristadar of Mohpi on half
pay during the employment of
the permanent incumbent on other
duty, and, on the post becoming
permanently vacant, confirmed him
in the same from 1st of September,
6. In my opinion Mr. Cadell's
recommendation was a right and
considerate one, & I personally told
the petitioner I thought so.

7. His claim for pay, on the
contrary, is fairly set forth by
himself, and if the Board desire
to concede to it, I request that
Rupees 360 may be sanctioned for
the purpose. A separate memorandum
is enclosed, showing how this sum
is arrived at. The salary of the
post which petitioner held is
not now available, having been
disbursed to the servant put
by Mr. Cadell in his place.

In eligible grades - 8-7-0

Acting Taluk Theristadar 8-0 period of service, but the
Taluk Theristadar - 3-1-0 Govt were of opinion that
44-7-7 the period during which

J. D. S.

he was employed as a
Gumasta, paid by commission,

a break which invalidated
his

his claim, and called
for a medical certificate
in view to a gratuity of
eight months' pay being
granted for his service of
eight years & 7 months.

The Zilla Surgeon, however,
considered him fit for
duty, but the collector did
not think it advisable to
put him back into the
post he had left, and he
was for five months out of
employ. He then served
as acting Sheristadar for
8 months, 6 of them on full
pay, till he was confirm-
ed. On his claiming
pay for the period of his
non-employment, the Govt
allowed him to receive the
amount he would have
got had pension been
granted.

The

2 The Accountant
General, ~~excluding~~ the 8
months during which he
was acting Sheristadar,
reports that he is eligible to
a gratuity of 11 months' pay.

3 The Govt, however,
are of opinion that he is
entitled to count this
period. His permanent post
ought not to have been filled
up, on his being recommended
to pension, and if, on public
grounds, it was considered
unadvisable that he should
go back to it on his application
being rejected, this should
not prejudice his present
claim. The Government
~~apparently~~ apparently
approved the collector's
proceedings in not reinsta-
ling him, and by making
him

him an allowance for
the period of his non-employ-
ment, recognised his claim
on the service. It is observed,
further, that during 6
the 8 months, during
which he acted as the ista-
dar, the appointment was
permanently vacant, and
therefore, under the orders
of the Govt of India noted
in the margin, he is clearly
entitled to count this
period.

By the inclusion either
of the eight or six months,
the applicant's qualifying
service becomes more than
12 years, and entitles him
to a maximum gratuity
of 12 months pay or Rs 720.
The applicant is reported
to have been quarrelsome,
and

and not of good
character, though nothing
more specific is on record
against him; and the
Government, in consideration
of his very long service, do
not think it necessary
to award a reduced gra-
tuity. One of Rs 720 is
sanctioned, subject to the
confirmation of the application
medical certificate by the
Deputy Inspector General.
