J. W. N. Chipperfield, Surgeon and
Superintendent of the Eye Infirmary, Madras,
do hereby certify that I have carefully examined
C. Venkatachella Moodelli, 4th class clerk, Com-
missariat Department, that his age is by his
own statement 56 years, and by appearance about
that; and that I find him to be unfit for further
Service on account of progressive cataract in
both eyes, at present unfit for operation and
not likely to be so benefited by any treatment
as to restore useful vision. This affection is not,
in my opinion, attributable to intemperance or
other irregular habits.
