From, J. H. Master Esquire,
Acting COLLECTOR OF
BELLARY.

To, H. C. Stokes Esquire,
Under Secretary to Government,
Madras.

Sir,
With reference to your Official Memorandum No. 8, dated 31st Ultimo, I have the honor to inform you that Buddapah Sotha Row was confirmed in his post of 30 Rupees on the 3rd July 1866 and that this is notified in the appointments made by the Acting Sub-Collector on page 372 of the District Gazette for 1866. This will remove the objection in the Column headed Report of the Examiner of Claims No. 33 in the Register.

Muhammad Saib
Verify

2 The difference of 3 days between the Services as detailed in the enclosed Register and as verified by the Examiner of Claims is attributable to the circumstance that when the period of service which is rendered in any particular post is to be computed it is calculated with strict regard to the No. of days in the month comprised in such interval. Some being of 30 and others of 31 days but when the total service is computed the month is reckoned at 30 days only.

3 The discrepancy as to the period of service before 22 years is owing to the ages of native officials not being known accurately. So that the probable age is only given.

4 The entry 30th January 1860 in the Statement of total period of service is a clerical error for 30th June 1860. So that the services of Buddapah Sotha Row are continuous.

I have the honor to be,

As the applicant appears from the Bills on record in this office to have held the acting appointment of Clerk in the Salaries of Rupees 30 and 35 from 1st April to 31st December 1866 his permanent salary of Rupees 20 only, has been taken when calculating his average salary for the last 5 years, which is therefore Rupees 27-7-3 and not Rupees 28-12-2 as given by the Collector in item 16 of the 1st side of this Register.
