*Proceedings of the Madras Government, Pension Department,
1st March 1870.*

Read letter from the Inspector-General of Police, dated 31st August 1869, No. 5641.

ORDER THEREON, 1st March 1870, No. 94.

With the foregoing letter the Inspector-General of Police submitted an application under the Police Service and Superannuation Fund Rules for a gratuity to first-class Constable Mahommed Suleiman of the Nellore Police, and also an application prepared by the Collector of Nellore for a compassionate allowance to the same individual on account of his service in the Revenue Department before he joined the Mofussil Police. The case has remained undisposed of, pending the receipt of a reply to a reference made to the Government of India as to the source whence compassionate allowances in such cases should be paid.

2. Mahommed Suleiman served as a peon in the Nellore District for thirty-one years, two months, and six days up to 1860, when, on the re-organization of the Revenue Establishments, he was transferred to the new Police. He served as a first-class Constable for seven years, eleven months, and twenty days, and his whole service for compassionate allowance amounts, therefore, to thirty-nine years, one month, and twenty-six days. He was discharged from the Police as unfit for further duty on the 2nd July 1868.

3. Had he, when thrown out of employ in 1860, not been re-entertained, he would have been entitled to a compassionate allowance of Rupees 2-8-0 per mensem with arrears from the 11th December 1863; and but that he was discharged from the Police in July 1868 before the Despatch of the Secretary of State of the 14th October 1868 was promulgated, he would now be entitled to a compassionate allowance of Rupees 3-8-0 from the date of his discharge. Under the strict rules he cannot, therefore, claim anything but a gratuity from the Superannuation Fund; but under the

circumstances, and with reference to the Orders of the Government of India noted in the margin, the Government resolve to request the sanction of the Government of India to his admission, as a special case, to a compassionate allowance of Rupees 3-8-0 per mensem from the 3rd July 1868. Under recent orders this will be payable entirely from Imperial Funds.

4. The delay from June 1868 to April 1869 was owing to the dilatoriness of the Revenue authorities, and that from April to August 1869 is due to the informality of the certificate which could not be amended owing to the absence of the Zillah Surgeon on leave.
