REPORT of The EXAMINER of CLAIMS.

With reference to para 2 of Proceedings of Government dated 26th August 1869 H^o 276 Pension Department, the Examiner of Claims has the honor to state as follows:-

In Oct^r 1866 Application for Gratuity to a number of Non-commissioned Obsolesces, was received from the Collector of Bellary. Upon 26th Nov^r '66 this was returned to that Officer with memo. calling for further information, and requesting that printed, not manuscript, registers must be submitted.

Until Dec^r '67, or upwards of a year afterwards, when Government sent for report a letter from the Collector enquiring about the case, nothing was heard of them.

On 11th April '68, after search had been made among the records Government were assured that the papers had not been received and the Collector was requested to transmit Duplicate registers.

On 22nd Nov^r '69 The Collector sent these papers, and on 7th April '69 the Application on behalf of Obsolesces was returned to the Collector for submission to Government through the Inspector General of Police.

From the foregoing statement Government it is confidently hoped, will be satisfied that the Examiner of Claims is not responsible for any of the delay that occurred between the first receipt of the application by him in October '66 and the date of the Inspector General's letter submitting the Application to Government in July '69.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

From the Inspector General of
Police. { (Here enter 8th Novr 1869 N^o 7145)

Memo from the Examiners of
Claims. { (" 22nd Novr 1869 N^o 1399)

Order thereon 10th January 1870 N^o 9.

Full particulars of
the dates &c of the correspondence
between the Police authorities,
the Collector of Bellary and
the Examiners of Claims, re-
garding the application for
gratuity disposed of in L. O.
26th August 1869 N^o 276, are
given in the papers above recorded.

2. The Government are glad
to find that the Examiners of
Claims is not responsible as
they supposed, for one of the 3
years delay ^{which occurred} before the case was
submitted to Government.

3. It now appears that the
applicant having retired
from

from the Police in June 1866, and application for gratuity was sent up in October 1866, that this was returned for correction by the Examiner of Claims in November 1866 and reforwarded on February 1867, but never reached its destination; that in December 1867 Government sent the Examiner of Claims for report, letter from the collector of Bellary enquiring what had become of the case; that in April 1868 the Examiner of Claims requested the collector to send duplicates of the papers, and that the duplicates were not submitted till March 1869. The Establishment of the Collector of Bellary is therefore chiefly to blame, but nothing needs be added to the strictures already passed by Government upon the Deputy Collector and Head Clerk for their negligence in permitting similar delay in some cases originally sent up with that now under notice. The Government observe however that had reference

been made by the Examiner of Claims to his list of unanswered Communications, enquiring as to the missing papers must have been earlier provoked. In future when papers returned for correction are delayed in the collector's office the Examiner of Claims should take care that periodical reminders are sent to them.
