I. Donald Colman M.D. Surgeon
13th Street Surgeon Testifying do hereby Certify that
1st Class Constable No. 13 Melviden Krishnamoorti
was under my treatment, out of Hospital, for 7 days
for an ulcer of 4th finger of right hand. and
that owing to contraction of the other fingers of
same hand he is unable to hold sword or gun.
and that he is not likely to derive permanent
benefit from further treatment or from change of
air. He is in my opinion unfit for further service
and to the best of my judgement such disqualification
is not the result of intemperance or other irregular
habits.

To, The Assistant Inspector General of Police

Sir,

With reference to the proceedings of the Madras
Government Pension Department dated 28th September 1870 and order
thereon No 506, I have the honor herewith to attach another Medical
Certificate and original letter from the Yillah Surgeon and a petition
from Constable Krishnan Nair.

2. Information may be required as to why the Constable
was in Hospital for so short a time, and the only explanation I
can give is that every comfort has been provided for the men in
Hospital; but that the Constables in this District with a very
few exceptions cannot be got to attend Hospital till their case
is almost hopeless.

I have the honor to be
Sir,

Yours Most Obedient Servant.

Dir,

The effects of gout have incurred the entire loss of a finger of the right hand and inability to close the remaining fingers which give me great pain now - In two places on the right leg there are rheumatic swellings and the leg is stiff and painful.

The Certificate was granted by the Doctor as the illness was in his opinion on the increase and that further medical treatment could do no good -

Being convinced of this fact I am compelled to retire as being unfit for the service, but not at all willing to do so otherwise. I therefore beg that since illness has compelled me to retire from the service, I may be kindly allowed the grant of gratuity for my service since 1869.

Signed/ N. E. Johnson Fair.
