In reply to my letter No 48
 dated 7th February 1870 and your
 letter No 854 dated 9th I have in reply
 I have the honor to enclose a discharge
 Certificate showing the reason
 by which late Head Constable No 1
 was a seaman and Pilot was incapacitated
 for further service. The delay
 in furnishing this Certificate
 was as a result by the man
 being seriously ill and unable to
 present himself before a medical
 officer when the man was called upon
 to attend the requisite Certificate.

At the time this head
Constable received the injuries
which resulted in Paralysis he
was travelling as Circuit writer
with the Superintendent of Police. The
Crime he was riding up of and
retained in the Force as a writer in
the sub Division office till his dis-
ability became such that he was quite
useless even for this work, where no
alternative was left but to discharge
him under medical Certificate of

unfalsch

infirmary in September last year

Sir
In September 1869 Head
Constable No 51 Dadasagayam Pillai was
discharged having been declared by the Medi-
cal Officer unfit for further service. While in
the performance of his duties he met with a fall,
which injured him very severely and eventually
terminated in paralysis depriving him
entirely of the use of one side of his body. He
was a long time under Medical treatment
which proved of no avail. At the time of his
discharge he was only 5 years & 8 months service
and consequently precluded from the benefit of
a gratuity. He is now utterly destitute, without
the power of working in any capacity and his children
are all too young to work for him. I have therefore
the honor to request you will submit for the Special
Consideration of the Inspector General this man's
lamentable case and I trust he will see fit
to move the Government on his behalf in view to
his being granted a gratuity for the No. of years
he has served.

From

The Inspector General of Police

To, The Under Secretary
to Government

Public Department
Fort Saint George.

Sir, I have the honor to submit
for the special consideration of Govern-
ment a letter from the Superintendent
of Police Tanjore No. 48 dated 7th February
1870 recommending the grant of a
gratuity to Head Constable Davada-
gayem Pillai No. 51 of the Tanjore Police.
A roll is also enclosed.

2. Davadagayem Pillai having only
served for five years and eight
months in the Police had not com-
pleted the prescribed period to entitle
him to gratuity under Rule I. The
Head Constable met with a fall
in the performance of his duties
three years ago. The severe injuries
he

he sustained therefrom eventually terminated in paralysis. Although he was placed for a long time under medical treatment, it proved of no avail in his case.

3. Under the above circumstances I beg to recommend the grant to Duraidagayam Pillai as a special case, of a gratuity of 5 months pay, Rupees 70-

4. The Superintendent of Police explains in his letter No. 134 dated 15th August 1870, herewith enclosed for the information of Government that the cause of delay in furnishing the medical Certificate called for was occasioned by the man's inability from severe illness to present himself before a medical Officer.

I have the honor to be,
Sir,
your most Obedt Servt,

 Major

for Inspector General of Police

Memo for orders.

Head Constable Devasaikayan Pillai of the Tanjore Police, was travelling on duty with the Superintendent of Police, when his bandy was upset, and his leg and arm crushed. Being unfit for general duty he was made station writer; but the injuries he had received brought on paralysis, and his discharge became necessary. As his service amounts only to 5 years 8 months, he is not entitled to gratuity; but Major Hearn recommends that as a special case he may be granted five months pay or Rs 70.

2. There is ^{in the Superannuation} no provision for the grant of allowances in case of incapacity from wounds & injuries; and the gratuity ~~will~~ if granted, will fall on imperial revenues. It is presumed therefore that, should Government take a favourable view of the case,

I would recommend the grant - such cases are very rare.

Proceedings of the Madras Government, Financial Department.

21st January 1871.

No. 52. Read the following letter from the Under Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort Saint George, dated Fort William, 31st December 1870, No. 4240 :—

I am directed to acknowledge the receipt of your letter, No. 499, dated 10th December 1870, regarding the grant of a gratuity, Rs. 700 being equivalent to the salary of the deceased, late Head Constable in the Tanjore Police, who is reported to have become unfit for duty in consequence of a wound received by him when travelling on duty.

2. In reply, I am to refer you to Resolution, No. 2097, dated 28th July 1870, the principle of which is equally applicable to the case of officers injured while in the execution of duty, and to state that, as the injury received by the Constable was from a pure accident, the case is not one in which any assistance can be granted by Government in breach of the rules. If proper medical authority pronounce the man to be unfit for further duty, he may be allowed the gratuity which is admissible under the rules of the late Police Superannuation Fund for persons physically unfit for further work.

Ordered that a copy of the above letter be forwarded to the Accountant-General, Madras.

No. 53. ORDER THEREON, 21st January 1871, No. 41.
