PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd April 1862.

Read Proceedings of Government, dated 2nd October 1861, No. 1,915, Revenue Department, declining to take into consideration Board's Proceedings, submitting a separate application from the Collector of Ganjam for an increase to his Income Tax Department, and requesting them to forward a General Statement showing the alterations that may be deemed necessary in the Income Tax Establishments of the several Districts of this Presidency.

(In Cons. 4th October 1861, No. 6,274.)

Read again Proceedings of Government, dated 28th January 1862, No. 128.

(In Cons. 29th January 1862, No. 475.)

Read also Proceedings of Government, dated 21st February 1862, No. 384, Revenue Department, requesting the Board to re-distribute the sums allotted by them in their Budget Estimate on account of the Income Tax Establishment of the Collectors, so as not to exceed the aggregate, viz., Rupees 45,600, and submit the required list in time to be sanctioned before the next official year commences.

(In Cons. 24th February 1862, No. 1,042.)

1. On 30th May 1861, the Board issued a Circular to the Collectors, requesting them to submit after the close of the Income Tax year, a return of the Income Tax Establishment, with their remarks as to its sufficiency or otherwise. The replies from the several Districts have been received, and the Collectors of the Districts noted in the margin have proposed no change in the existing Establishments.

2. The only change that the Collector of Ganjam proposed was an addition of five Peons on 5 Rupees each, for his own Office, and for those of his Assistants. The Board considered this unnecessary, and in their Proceedings, dated 18th September 1861, they recommended one Peon on 6 Rupees ; but the Government in their Order, dated 2nd October 1861, No. 1,915, recorded above, requested the Board to forward a general Statement showing the alterations that might be deemed necessary in the Income Tax Establishments of the several Districts.

3. The Collector of Vizagapatam recommended a large addition to the present Establishment. He applied for a Clerk for his Principal and Senior Assistants, and for a large Taluk Establishment at a cost of 450 Rupees for the collection of both the Income tax, and the Duty on Arts, Trades, &c., in the Zemindaries. As this Establishment appeared to the Board to be excessive, the Collector was requested, in their Proceedings of 4th September 1861, No. 4,770, to submit a revised Statement ; but no reply has yet been received, and the Duty on Arts and Trades having been since cancelled, the Board are satisfied that such a large Establishment as was applied for by the Collector, will not be necessary.

4. The Collector of Nellore proposed to reduce his present Establishment costing 160 Rupees, to one at 138 Rupees, and requested that he might be authorized to meet the temporary press of business in the first quarter of the year, by calling in fit men from the Land Revenue Establishment, and supplementing the places of these men by the employment of as many additional hands to be debited to the Income tax.

5. The Collector of Bellary recommended no change in his Establishment, but applied for three Clerks for the Sub-Collector, Head Assistant, and Deputy Collector for a period of four months, at a total cost of Rupees 240, and this was on the recommendation of the Board sanc-

tioned by Government on 24th October 1861. He has very recently* applied for a Special Establishment for the collection of the Tax in the Town of Adoni, to consist of a Clerk on 10 Rupees, and two Peons at 3½ Rupees each. The town is very large, and the Collector states that there are no less than 1,086 persons paying Income tax, amounting to Rupees 12,625. The emoluments of the Village Officers also being very small, the Board consider that some Establishment should be allowed. The Board accordingly recommend a Gumastah on 12 Rupees, and two Peons on 5 Rupees each.

6. The Collector of Madras proposed an addition of one Clerk on 35 Rupees for his Sub-Collector; the Collector of Tinnevelly sought an addition of one Peon on 6 Rupees, and the Collector of Coimbatore proposed the employment of a Revenue monigar on 7 Rupees. This last proposal was rejected by the Board in their Proceedings of 1st October 1861.

7. The Collector of North Arcot proposed an addition of one Attender on 7 Rupees, and a Clerk for the Deputy Collector on 20 Rupees, and a large Taluk Establishment at a cost of Rupees 562 a month; but the Board declined to recommend the addition in their Proceedings of 27th September 1861. In a subsequent letter, however, dated 13th December 1861, Mr. Robinson requested that an Establishment should be allowed for the collection of the Income tax in the Zemindary tracts of the District, and it was accordingly sanctioned by Government, in their Order of 12th February 1862, No. 281, at a cost of Rupees 184 per month, or Rupees 2,208 per annum, on the recommendation of the Board of Revenue.

8. The Collector of Trichinopoly proposed to dispense with a Clerk on 15 Rupees, and to reduce his Establishment from a cost of Rupees 160 to 145 Rupees. This was approved by the Board on 10th September, and by Government on 1st October 1861. The Collector of Salem stated that he had dispensed with the services of his Head Clerk from 1st August 1861, and reduced his Establishment from a cost of Rupees 160 to 72 Rupees. The Collector of North Canara proposed to dispense with the whole Establishment, and requested an addition of 30 Rupees to the salary of his Translator in the Revenue Establishment. This was recommended by the Board and sanctioned by Government on 5th October 1861.

9. The Collector of Madura suggested certain changes and proposed an Establishment at a cost of 165 Rupees for his own Office, and also a Gumastah on 10 Rupees and two Peons on 5 Rupees each, for each of the six Sub-Magistrates in the Zemindaries of Ramnad and Shevagunga. In their Order, dated 11th December 1861, the Government sanctioned the Collector's Office Establishment, and also the Peons for Ramnad and Shevagunga at a monthly cost of Rupees 60. And with regard to the Gumastahs they observed that their proposed pay was very low, and requested that the subject might be re-considered, remarking that it would be advisable to have a smaller number on higher pay than 10 Rupees. The Collector was requested to submit his proposal on the point, but no reply has yet been received. The Board however observe that the number of Gumastahs cannot be reduced, as there is but one allowed to each Sub-Magistrate.

10. Pending the final disposal of these Establishments in the several Districts, the Board thought it proper to provide for each District 2,400 Rupees on this account in the Budget for 1862-63, and in paragraph 29 of their Order, dated 29th January 1862, recorded at the head of these Proceedings, the Government approved the provision, and desired that a list of the Establishments necessary in 1862-63 might be submitted. In a subsequent Order, dated 21st February 1862, No. 384, also recorded in these Proceedings, the Government directed that the allotments made for the Districts should be at once re-distributed so as not to exceed the aggregate, viz., Rupees 45,600.

11. The Board have given their careful consideration to the subject of these Establishments; and they are of opinion that there is hardly any necessity for continuing them in their present footing. Now that the time for modifying the previous year's assessment has expired, and there is little work to be done in the Income Tax Department. The Establishments proposed by the several Collectors vary greatly, and are not based upon any general principle. The Collectors of Salem and South Canara deem an Establishment of 72 or 70 Rupees a month to be sufficient. The Collector of North Canara dispenses with an Establishment, and only requires an addition of 30 Rupees to his Translator's pay. The Board do not, therefore, understand why the Collectors of other Districts should need far larger Establishments. The pay of the Head Clerks in the several Districts also varies without apparent reason. In eleven of the Districts the rate is Rupees 100, while in the rest it is as shown in the margin. The Board do not think that an Officer on Rupees 100 is necessary under the existing state of things. All that the Collectors at present require is some person to have charge of the records, and to attend to Miscellaneous duties connected with the Income Tax Department; and the Board recommend one such servant for each Collector on Rupees 70 a month. If any Collector should require two servants, he should be at liberty to employ them on Rupees 50 and Rupees 20, respectively. The Board would allow to the Sub-Collectors a Clerk on 25 Rupees a month. Some of the Collectors have applied for a Clerk to their Deputies entrusted with powers under the Act. If these Officers send their records to the Huzur Cutcherry, they would hardly need a Clerk, but the Board have, however, provided them with one on 20 Rupees where they have been applied for; and those Collectors will employ them if they still find it absolutely necessary to do so. The Board do not consider that an extra Clerk is necessary for Head Assistant Collectors.

12. Besides the above, some further small Establishments are required for the collection of the Income tax in those Districts in which there are Zemindaries. There are only three Districts, Vizagapatam, North Arcot, and Madura, in which any such Establishments have been applied for. The Collector of Vizagapatam who has been requested to submit a revised scale, has not yet done so. In the cases of North Arcot, and Madura, the Establishments asked for have been sanctioned by Government as stated in previous paragraphs. The Board would make some slight alterations in those Establishments. They would raise the pay of the Gumastahs in Madura from 10 Rupees to 12 Rupees as sanctioned for North Arcot, and allow only 2 Peons for each Sub-Magistrate in the latter District. In Vizagapatam there are 14 Zemindary stations, including the rented Taluk of Palcondah, and it is necessary that each of the Sub-Magistrates should have one Gumastah on 12 Rupees and one Peon on 5 Rupees for the collection of the Income tax. There are Zemindaries in other Districts also, but the Board presume that the Sub-Magistrates' Establishments make the collections, as the Collectors have not applied for any Establishments. The Zemindary of Vencatagiri in the Nellore District being however extensive, they would allow the proposed Establishments for each Sub-Magistrate in that Zemindary also.

13. The Board resolve to submit to Government the two appended lists, one showing the Establishment as at present existing with the modifications lately sanctioned by Government, and the other showing that which they propose with reference to the views expressed in the previous paragraphs. They consider that this Establishment will be sufficient for the purposes of the Income Tax Act, more especially as the duty on Arts and Trades has recently been abolished. If this is sanctioned by Government, the Collectors will be instructed to introduce the new scale from 1st May 1862. The next Income tax year will commence on 1st August 1862. Should any great change be then made in the Income Tax Act it may be necessary to revise these Establishments. In the meantime should it be found that further assistance is required by any Collector, it can be allowed, for there are sufficient funds to meet the extra charge out of the provision made in the Budget for 1862-63. As already observed there is a sum of Rupees 45,600 for the 19 Districts (excluding North Canara). The cost of the Establishment as now proposed, is Rupees 28,944 per annum, and thus there is a surplus of Rupees 16,656 to meet any extra demands if

No. 4,078 19

Proceedings of the Board of Revenue dated 25th June 1862

Read the following letter from J. Fraser, Esq, Acting Collector of North Arcot, to W. Hudleston, Esq, Secretary to the Board of Revenue, Madras, dated Palmanair 3d June 1862, No. 94

I have the honor to request the opinion of the Board on the following matter.

I When the Income Tax Establishment in this District was lately reduced, in consequence of the orders of Government one of the clerks named Bhoojunga Rau, who had hitherto drawn 30 Rupees a Month, was sent to the Sub-Collector's Office on 25 Rupees, as the person to whose Service under the order quoted he was entitled.

2 This man had formerly been attached to the Sub. Collector's office as Revenue Munshi; and was removed from this post to an appointment of similar emolument

Dy Collector

at the time of Mr. Sullivan's removal from office, but there is nothing on record against him to show cause for this removal. After two or three other changes of appointment, he tendered his resignation of service while Head Gumashta of Chendragiri Taluk. His resignation was not accepted, and he was appointed to a post of 15 Rupees a month in the collector's office, and from this in 1860 to one of 30 Rupees a month in the Income Tax Department, which he held till the late reduction was ordered

Rs 15

3. Mr. Blair, the Sub. Collector, and Mr. Barlow, the Acting incumbent, both objected to receive him as Income Tax clerk in the Sub division office, because they say he bears a bad character, and because Mr. Barlow in particular considers that the appointment to this newly created office in his Kacheri rests with himself.

D66

2

4 I have already stated that there is nothing on record against Bhoojunga Rau, though I believe he was removed from the Sub division in consequence of being obnoxious to the then Acting incumbent Mr. Grenfell. It seems to me rather hard to dismiss him or reduce him to his substantive post of 15 Rupe a month. Seeing that he is a servant of 23 years continuous service, and has for two years done duty in the Income Tax Department, under the Collector.

5 I therefore request the opinion of the Board, whether the Acting Sub. Collec ought to receive him on his establishment as a man thrown out by a reduction in the collector's office, or whether Mr. Barlow is right in claiming to appoint his own man

The Board see nothing in the circumstances

Dy Collector

reported by the Acting Collector, or in the claims of Bhoojunga Rau for Promotion, to justify a departure from the usual rules on the subject, under which the Sub. Collector would, as a matter of course, select his own nominee for the Post

Explanation of Column 8 with quotations of orders of reinstatement.	Explanation of any degradation.
None	The applicant was twice degraded in the years 1859 & 1860 for improper conduct by Mr Robinson the Collector but there is nothing on record against the applicant to shew cause for these degradations as will appear from a letter of Mr Fraser, Ag. Collector to the Board of Revenue dated 3d June 1862 No 94 embodied in Board's Proceedings dated 25 idem Copy of which is herewith forwarded. The degradation from Rs 30 to 25 is owing to a reduction in the Income tax establishment Vide Proceedings of the Board of Revenue dated 2d April 1862 No 2143.
