Circular.

To,

The Civil and Session Judge
of Berhampore.

Sir,

I am instructed by His Excellency the Governor in Council to forward, for your information, the enclosed Proceedings* of Government, which contain a Circular letter addressed by the Government of India to the Heads of Military Departments. This letter has been communicated by this Government to the Military Departments of this Presidency with the enclosed Order of Government.

*Dated 3rd Nov. 1869, No. 3828.

2. His Excellency in Council considers that the instructions embodied in the Circular are as applicable to the Civil as to the Military Departments in this Presidency, and I am desired to impress upon you the great importance which is attached by this Government, not only to your using your most earnest endeavours to check any tendency to increase of expenditure, but to your personally and carefully inquiring whether it may not be possible, without loss of efficiency, to reduce the present cost of your Office.

3. The Government will expect from you a report similar to that required by paragraph 7 of the Circular letter, which should be submitted on the 1st of every month.

Fort Saint George,
11th November 1869.

I have the honor to be,
Sir,
Your Most Obedient Servant,

Proceedings of Government, Military Department.

Read the following papers:-

From the Secretary to the Government of India, Military Department, to the Officiating Secretary to Government, Military Department, Fort Saint George, dated Simla, 8th October 1869, No 171.

I am directed by the Right Honourable the Governor-General in Council to enclose, for the information of His Excellency the Governor in Council, copy of a Circular this day addressed to all the Heads of Departments connected with the Military Administration immediately under the orders of the Government of India.

2. This Circular is rendered necessary by the State of the finances as described in the Despatch to the Secretary of State for India, published in the Gazette of India Extraordinary of the 4th instant, and I am desired to suggest that similar instructions be addressed, under the Orders of His Excellency the Governor in Council, to all the Military Departments of the Presidency of Fort Saint George.

3. His Excellency the Governor in Council will doubtless see that much may be done to enforce and to initiate economy by His Excellency's own Government, and the Right Honourable the Governor-General in Council has no doubt that His Excellency in Council will be able to propose or to carry out various reductions that will materially reduce Military expenditure, and, further, that His Excellency will strenuously check any tendency to submit proposals for increased outlay from all branches of the Military Administration.

4. I am to request the favour of reports from time to

time

time to show what has been effected, or what is proposed in the Madras Presidency to give effect to the necessary measure of reduction of Military Expenditure.

5. I am to state that the Right Honourable the Governor-General in Council does not desire, at present, to ask for any opinion upon the amount of troops that can be spared from the Madras Presidency, as this question has already engaged the attention of His Lordship in Council on broad General grounds, and for the formation of an opinion on which subject the Governor-General in Council has had ample information and many valuable opinions before him, and has been enabled already to make certain proposals to the Secretary of State.

Do do do Indian Medical Service.

Sir,

I am directed, by the Right Honourable the Governor-General in Council, to draw your attention to the Financial Despatch, addressed on the 20th ultimo, to the Secretary of State for India, and

and

and published in the Gazette of India Extraordinary of the 4th instant.

2. From a perusal of this Despatch, you will perceive that the strictest economy is essential in every branch of the administration, and that the Government of India is resolved to enforce that economy.

3. It is, therefore, considered desirable to address you individually, and to enjoin on you not only to check any tendency to increase of expenditure in the department,* but to make the most searching inquiry as to whether, without impairing the efficiency of your department, savings may not be effected in personnel, or in various other modes which your departmental experience may lead you to think possible.

4. If any reductions seems feasible that it is within your competency to carry out, you will do so at once, reporting your proceedings as hereafter directed; and, if beyond your competency you will be good enough to submit your proposals for approval.

5. Should you think that, by revision of Establishments, a reduction of personnel can be effected, your proposal to this effect should be unhesitatingly made without any reference whatever to the interests of individuals. These latter considerations the Government of India will deal with separately, it being considered simply your duty to make every proposal that may seem to you conducive to economy, and not calculated to impair real efficiency.

6. The Governor-General in Council, indeed, feels assured that such a searching investigation by the Heads of Departments as it is hoped these instructions will lead to, will be of great advantage to efficiency as well as economy; and relying on your zeal in a matter of such great public importance, the Governor-General in Council confidently trusts that the appeal now made to you and to other Heads of Departments will be more acceptable to departments themselves, and more productive of sound and lasting economical results, than any investigation with a similar object made by a Commission or Officer unconnected with your department.

7. In conclusion, I am to request you will, on the 1st of next month, and the 1st of each succeeding month, report to me, in detail, what steps you have taken to give effect to the foregoing instructions.

On 1st February 1870, this Court called for a report from the Munsif about the applicant's fitness to serve till he may be entitled for full pension; and for all details needed for filling up an application for pension.

On 25th February 1870, the Munsif reported that in consequence of the applicant's absence from Chicacole, he could not send the pension application on his behalf and that he (the applicant) is not entitled for pension. On 8th March 1870, this Court ordered the Munsif to ask for a gratuity alone, which order, through an oversight in this office, was not communicated to the Munsif till the 14th July 1870. On 9th August 1870, the Munsif sent a statement showing the services &c. of the applicant and recommended for him a gratuity of Rupees 66. This statement was received in this Court on 13th August. Then the old records of this Court were searched into for comparing the applicant's services, and the present application was drawn on 5th September 1870: Hence the delay.

In the Office Copy of this application, ground 3rd of No. 5 is left blank, but its erasure with red ink in the fair copy occurred by mistake in the writer's office.

39. There is no diary in this Court for the years of 1841, 42, and 43. In the diary of 10th October 1846, the applicant appears to have been promoted from the post of 3rd Gumasta to that of 2nd Gumasta of the District Munsif's Court at Chicacole by Mr E. B. Glass the then Judge. In the subsequent diaries, nothing is found about him under the dates, on which, according to the service Register, he appears as being appointed to the particular post set opposite each date. In the Proceedings of this Court dated 25th August 1862, he was appointed by Mr T. J. Knox the then Judge, as 5th Gumasta of the Chicacole Munsif's Court, to take effect from 1st September 1862. In those proceedings he is described as late 1st Gumasta.

Those proceedings were drawn up to carry out through the whole of the then Zillah, Pro. S.A. dated 12th August 1862, which provided for an increase of salaries for the several District Munsifs and their Establishments under Proceedings of Government dated 26th June 1862 -
