Sir,

With reference to your memo of 15th Nov: last, resubmitting the application of late 1st Class Vaccinator Kondablee for gratuity. I have the honor to send, herewith, the Affadavit taken from the applicant by the District Collector and its translation in English, together with a Statement of his Services in part that was forthcoming among the Records of the Collectorate. I shall at the same time state that the Register of Application has been altered so much as according the Affadavit elicits.

2 With reference to first enquiry in the memo it is quite apparent from the service statement referred to above, that the Records cannot prove more than what is given therein and the second query I am not prepared to answer since the form was furnished from your Office. As for the third I should say that the applicant's service having exceeded 12 years, gratuity was calculated on his pay 18 Rs: (marked in pencil) which he declares he received when leaving the service. To the last I beg to state that the individual possesses no testimonials hence an Affadavit. According to his statement he seems to have received 18 Rs: for about a fortnight.
