I William Lupton Esq a Justice

Service do hereby certify that I have
carefully examined Thomas Row
Gunn as to of acent. Finding that his
age is by his own statement 54 and
by appearance about 65 and
that I find him to be unfit for further
service from old age & general de-
bility, not in my opinion attri-
butable to intemperance or other

Sir

In forwarding for your perusal
and submission to Government a gratuity roll
on behalf of Troop Landi Rai late Gymasta
in the Arcot Saluk, I have the honor to bring
to your notice the following circumstances
affecting not only this man but all other
Saluk Gymastahs in this District. Conse-
quent on the correspondence marginally
noted the pay of the Saluk Gymastahs
of North Arcot was by G. O. dated 2^d October
1829 reduced from Rs 10½ to Rs 9½. at which

latter case it remained till by the revision of Mr. Kelly it was fixed at Rs 15 a month. The consequence of this is that this man and all others who like him have served as Saluk Gumas: laks in North Arcot are under the strict letter of the Pension Rules debarred from pension and entitled only to gratuity.

To apply these rules to them rigidly would however have the effect of putting them in a position worse than their fellows who during the same period were employed in other Districts, in which according to my information the same measure of reduction at the rate of 10 per cent did not if applied have the effect of reducing the salaries to amounts which exclude the benefits of the Pension Rules. As for the same kind of service it seems invidious that because of varying rates of pay in

the several Districts that existed in former times the servants rendering them should be differently treated. I have the honor to propose that for cases like the present the strict letter of the Pension Rules shall be held in abeyance and the servants held entitled to pension calculated on the average of the pay of the last five years of their service.

At this rate the pension payable to this applicant would be Rs 4-0-0; if Government should decline to sanction my proposal. I propose as an alternative that the applicant should be granted for his 25 years service not in pension grades a gratuity of six months pay or Rs 90.

I have the
honor to be,
Sir,
Your obedient
servant
